INTRODUCTION

About your Personal Reading

This reading was composed for you personally, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John PatrickHenry Hancock.

Your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. You don't need to know anything about numerology to be able to enjoy and benefit from this reading.

If you feel this reading would be a nice gift to someone, or if you are interested in other numerology products and services, see the order forms in the back of this book.

I hope you will enjoy your reading.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. You have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is

the single most important information available in your Personality Chart!

Your Life Path is 8

You are gifted with natural leadership and the capacity to accumulate great wealth. You have great talent for management in all areas of life, especially in business and financial matters. You understand the material world; you intuitively know what makes virtually any enterprise work. Your talent lies not with the bookkeeping or petty management, but with the greater vision, its purpose, and long range goals.

You are a visionary and a bit reckless. You possess the ability to inspire people to join you in your quest, but often they are incapable of seeing what you see. Therefore, those around you need your continual guidance, inspiration, and encouragement. You must prod them into action and direct them along the lines of your vision.

You attract financial success more than any other Life Path, but effort is required.

Your challenge in life is to achieve a high degree of detachment, to understand that power and influence must be used for the benefit of mankind. Those born with the Number 8 Life Path who do not understand the real and relative value of money are bound to suffer the consequences of greed; they run the risk of losing it all!

You must learn to bounce back from failures and defeats. You have the character and resilience of a true survivor. It is not uncommon for a person with your Life Path to experience major reverses, including bankruptcies, financial failure, but you also have the talent and the sheer guts to make more than one fortune, and build many successful enterprises. More than most people, your failures in marriage can be extremely expensive for you.

Despite the difficulties that life presents, you will experience the satisfaction that comes from material wealth and the power that comes with it.

Business, finance, real estate, law, science (particularly history, archeology, and physics), publishing, and the management of large institutions are among the vocational fields that suit you best. You are naturally attracted to positions of influence and leadership -- Politics, social work, and teaching are among the many other areas where your abilities can shine.

You are a good judge of character, which aids you well in attracting the right people to you.

Most 8s like large families and sometimes tend to keep others dependent longer than necessary. Although jovial in nature you are not demonstrative in showing your love and affection.

The desire for luxury and comfort is especially strong in you. Status is very important. You must be careful to avoid living above your means.

Your Life Path treads that dangerous ground where power lies -- and can corrupt. You may become too self important, arrogant, and domineering, thinking that your way is the only way. This leads inevitably to isolation and conflict. The people you run the risk of hurting most are those you love, your family and friends.

Be careful of becoming stubborn, intolerant, overbearing, and impatient. These characteristics may be born early in the life of an 8 Life Path, who often learn these negative traits after suffering under a tyrannical parent or a family burdened by repressive religious or intellectual dogmas.

Those with the 8 Life Path usually possess a strong physique, which is a symptom of

their inherent strength and resiliency.

BIRTHDAY

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you possess. It is a gift to you that will help you along your Life's Path. Your day of birth is one of your four core numbers -- the Life Path, Expression, Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

Your Birthday is 3

You have a highly-developed creative talent. You are an artist at heart. You could excel in writing, visual, or performing arts. If you are not professionally involved in one of these areas, you should consider taking up art as a hobby.

You are highly-imaginative, quick-witted, and possess the gift of gab. You have great enthusiasm. Others find you inspiring and charming. You are a wonderful salesman.

You are friendly and sociable, affectionate and loving. You possess a good deal of charisma. You can also be moody and subject to rapid ups and downs.

You have a fine sense of harmony and art in everything that you do -- from your dress to the way you decorate your home. You have a gift with plants and flower arranging.

Be careful not to waste time and energy on trivial matters. Keep your long-term priorities in perspective.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveal your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By

reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Your Expression is 10/1

You are a natural leader, independent and individualistic. You are extremely ambitious, original, and courageous. You employ new and unproven methods. You are an explorer and an innovator. Openness to too many peripheral influences limits and frustrates you. You are self-reliant, confident, and energetic.

You possess executive abilities and are most successful at owning or independently managing a business. You need the freedom to make your own decisions, based on your own ideas. You can be an astute politician. You also possess the ability to influence the opinions of your milieu.

The number 1 symbolizes the front-runner, pioneer, warrior, risk-taker, and daredevil. Generals, top politicians, successful businessmen, self-made millionaires, religious leaders, inventors, activists, and avant-garde artists are often born with a 1 Expression.

Strength and perseverance are central to your success. You must be willing to travel the frontiers of life, away from the beaten path. You possess a great reserve of willpower that must be directed at your goals. You do not give up, but relentlessly pursue your aims.

You are quite opinionated. People tend to be inspired or repelled by your strong personality.

You have great powers of concentration and the ability to visualize your goals, thus making them more attainable.

You stand up for your convictions and hold your ground. All of these abilities enhance your chances of success in life.

There is a tendency to be self-centered. You can be domineering and, in the extreme, a bully. You can be highly critical of others, complaining that people lack the industry or determination you possess. But this lack of understanding can alienate friends and family members from you. You must learn to control this tendency to maintain harmony in relationships.

Once you are convinced of the inherent correctness of your ideas, you stubbornly -- and sometimes rigidly -- defend and propagate them.

Avoid obstinacy and antagonism. You must cultivate balance, compassion, and perseverance.

You easily assume the role of protector. You spring into action when leadership is needed.

Pride can be your downfall. You so powerfully identify with your goals and ambitions that you sometimes refuse to see a potential flaw or weakness in your well-laid plans.

You possess strength and determination, which, when applied to any endeavor you are committed to, will lead you to great success in life.

MINOR EXPRESSION

The Minor Expression number is based on the current (or short) name; the name you now use to introduce yourself including your last name.

The influence of the short name is minor in comparison to your full name. Interestingly, the short name often compensates in some way for numbers (and their related characteristics) that are missing or out of balance in the full name.

For instance, a number missing in the full name may show up prominently in the short name; or a number (or numbers) that appears in excess in the full name can be compensated for in the short name. If a name change takes place later in life through marriage or for professional reasons, it adds or subtracts certain qualities. It can also focus and intensify existing characteristics or talents that may be latent.

Your Minor Expression is 10/1

This number makes you better equipped for the daily struggle of life. This is a powerful number with good leadership abilities. It is independent, individualistic, original and innovative. It adds courage and a willingness to take risks. This number makes you more determined and goal oriented.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Your Heart's Desire is 10/1

Your overpowering need is to be independent and to direct your own life according to what you believe. Your dream is to become the leader of whatever field you enter. Whether it is in business, community, or in your general area of expertise, you are driven to be the reigning figure.

You have the courage and the confidence to lead others. You believe firmly that your judgment is preeminent over all others. This gives you the confidence to make bold

decisions and carry them out, even when other lives are greatly affected by what you do. You rarely look back once you have made a decision.

You possess intelligence and wit. You are keenly insightful and are good at evaluating the abilities of others.

You are supremely individualistic. In your manner and dress, you like to project your own unique persona.

Consequently, you don't mind being controversial, and can even enjoy the attention and impact you have made on your surroundings.

You dislike routines, or anything that limits your freedom and independence.

Whenever you commit to something you truly love, you are absolutely tenacious in your ability to endure difficulties and overcome obstacles. You are highly responsible; you hate passing the buck. You possess remarkable willpower and a strong drive to succeed.

You are always looking for innovative ways of doing things.

Because you seek to be the boss in any endeavor, you have a tendency to dominate others. If you are not careful, especially in dealing with your subordinates and family, you may become ruthless in your decisions and behavior. You can also fall victim to impatience and intolerance, particularly if you grow conceited or superior.

You are the pioneer and the ground-breaker. You love the foreground, the hot-seat of responsibility. You have all the talents to succeed. As long as you maintain balance in your life, allowing others full expression of their thoughts and abilities, you will easily rise to the top of your chosen field and realize your ambitions.

MINOR HEART'S DESIRE

The Minor Heart's Desire number is derived from the vowels of your current name; the name you now use to introduce yourself. The current name is a refinement of the more complex qualities of your longer name (the full name at birth). It sharpens and bundles the energies that are reflected by your full name. It intensifies certain aspects of your being, and de-emphasizes others. For this reason, the short name often provides insight into what you truly want in life. It also often reveals the extent of your understanding of what you want from this life. It reveals both your strong desires, and the limits you place upon your potential.

Your feelings about your current name are different from your full name. It affects how you feel about yourself; it changes your identity slightly.

Your Minor Heart's Desire is 11/2

Your short name increases your sensitivity, intuition, and perceptiveness. It inspires you to deepen your investigation of the mysteries of life. You are more attracted to religion, philosophy, and spiritual understanding. It may awaken your intuitive and even psychic abilities.

At the same time, your Minor Heart's Desire number makes you more sensitive to your own shortcomings. It encourages you to work on yourself.

Your increased sensitivity will encourage you to seek out harmonious and peaceful

environments. This will balance the nervous tension that the 11 can stimulate.

Your desire to work with others is also improved. You are likely to feel more humble and modest, and seek ways to avoid conflict and maintain harmonious relationships.

Your heightened intuitive powers bring highly creative ideas, sudden insights, and realizations.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Your Personality is 18/9

You have an impressive and aristocratic bearing. No matter how tall you are, you appear noble and upright. You are very much in control of the image you send out to others.

Many actors, dancers, and other performers have a 9 Personality Number. You are elegant, graceful, and charismatic. Many admire you.

You have the kind of stature that pulls people to you or repels them intensely. Some are jealous of you and may seek to belittle you.

You may encourage this to some extent by the amount of arrogance you radiate. This is a caution for all 9 Personalities -- they are sometimes aloof and hold themselves above the world.

Your challenge is to come down to earth with your fellow man.

Conversely, you have a great compassion for humanity and want to dedicate yourself to improving the lot of others. You are better when dealing with the trials of the many than the trouble of a single person. You are more capable of working on the grand scale, addressing the needs of society, than on a one-to-one basis.

You are kind and sympathetic, helpful and compassionate. Behind the controlled and calm facade, you are sensitive, vulnerable and emotional.

You have excellent taste. There is a good deal of artistic talent in you that shows in your home environment and your clothing.

You tend to see yourself as a guardian of society, a benevolent leader, guiding and directing your community toward a better world.

MATURITY

Your Maturity number indicates an underlying wish or desire that gradually surfaces around age thirty to thirty-five. This underlying goal begins to emerge as you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity.

No matter what your age is at present, your life is being channeled in a specific direction, toward a very specific goal. That goal can be seen as a reward or the fulfillment of a promise that is implicit in your current efforts, often without your knowing it consciously. While the characteristics of this number are usually visible during childhood, we tend to lose sight of these aspects until later in life. But our lives are always being affected by this influence, nonetheless.

Your Maturity number begins to have a more profound impact on your life after the age of 35. The influence of the number increases steadily as you grow older.

Your Maturity is 9

Your concern for the well being of society will grow more powerful as you come to maturity. You will be drawn to doing much public service. The long-term good of your community and even the world will occupy your thoughts increasingly.

As you mature, your appreciation for the arts and beauty in any form will also increase. It is quite possible that you will be actively involved in the arts, if that is not already the case, often as a benefactor.

Service to humanity is fundamental to your life. You will grow in understanding and wisdom as you mature. Involvement with international affairs or humanitarian service offers you much satisfaction.

If you already have several 9s in your chart, especially among the core numbers, you will have to guard against arrogance, aloofness, and alienation.

If you have few 9s in your chart, or none at all, you will gain a sense of your personal place among the human race. You will feel you belong and that you have provided something of lasting value for the future.

L/E BRIDGE

The Bridge numbers in your chart are the numbers that indicate how you can make the relationship between the individual core numbers in your chart easier and more compatible. Bridge numbers have the potential to "close the gap" between the Life Path and Expression number, or the Heart's Desire and Personality number.

In this chapter we will explain what you can do to make your talents, strengths, and specific abilities (Expression number) more easily available and fitting the needs of your main lesson(s), and expected direction of growth (Life Path).

Your Life Path / Expression Bridge number is 7

Coming from either 8 and 1, or 9 and 2, this number urges you to spend more time and effort on spiritual matters.

Check your Life Path and Expression numbers. If one of them is an eight, and the other a one, this combination can cause a person to become too interested in material matters. Excessive attachment to money, goods, and status quo can make you vulnerable to the temptations of the material world.

If your Life Path and Expression numbers, are either 9 and 2 or vice versa, the temptation to think that you are spending so much time and effort on the well-being of mankind that you are on your way to sainthood is strong, and potentially self-deluding.

Righteousness, no matter who you are and what you have accomplished, is always an obstacle; it brings prejudice, arrogance, and indifference.

There are two challenges here that may be particularly problematic for you: the need to be more humble, and the responsibilities you have to yourself.

H/P BRIDGE

Several Bridge numbers can be found in your chart. The Bridge number between the Life Path number and the Expression number was described earlier in your reading. The following Bridge number relates to your Heart's Desire number and your Personality number. This Bridge number, the Heart's Desire - Personality bridge, explains how you can make your deeper self -- your needs and desires, your true nature -- more aligned with the part of your personality others tend to recognize when they meet you. With a little exaggeration, you could say that your Personality number is somewhat like your mask. It is the more superficial you; a protective shield and a camouflage of the deeper you. You can easily imagine how much more comfortable, and less self-conscious, the experience of life becomes when your deeper and more real you is closer and more fitting to the personality you reveal on a day to day basis.

Your Heart's Desire / Personality Bridge number is 8

The important thing here is understanding the function of money. Money is a tool for trading, no more and no less. This bridge number is a result of having a Heart's Desire and Personality combination of 9 and 1 (or vice versa), and suggests an idealistic view of life. Sometimes the idealism is taken too far and becomes impractical. This is often expressed in a dislike for money.

However, occasionally, the 1 dominates the 9 to such an extent that the person becomes obsessed with personal success. More often though, the 9 and the 1 together reveal the very ambitious humanitarian who has the potential to do well in the corporate

world, or any career that offers international connections and activities.

KARMIC LESSONS

Numerology is based on the understanding that we enter life with certain strengths and weaknesses. Karmic lessons are areas that we are currently weak in and must be faced and worked on in this life. There can be more than one Karmic Lesson. These are indicated by the absence of certain numbers in your name.

The letters and numbers of your name point to talents and abilities that you possess. These characteristics can be compared to a workshop in which certain tools are available to you. Missing numbers, those that are not represented in the letters in your name, imply tools that are unavailable, and must be learned and mastered during this lifetime.

You may well recognize your Karmic Lessons as weaknesses you have learned to overcome in the course of your life, however, the challenges implied in your Karmic Lessons will continue to come up occasionally for the rest of your life.

(There are no Karmic Lessons hidden in your name.)

HIDDEN PASSION

Your Hidden Passion reveals one or more special strengths and talents that you rely upon and are available to you. The Hidden Passion represents your specific field of expertise, or a concentrated talent.

Metaphorically, this talent can be seen as having a power all its own to shape your life. Its existence gives you a strong desire to develop and to express that particular ability. Having the talent demands that you express it, that you experience this part of you, and that you live according to its nature. In this way, the Hidden Passion shapes your personality, and guides your life.

Your Hidden Passion is 1

You have a strong drive to stand out. You have a great ambition and desire to accomplish. You are highly competitive and want to be the best and the first in everything you do. You are highly energetic and creative. You are capable of influencing and even dominating others. You have highly developed political skills, and can succumb to manipulation unless your ideals are high.

Ironically, there are times when you lack confidence, especially at an earlier age, but you have the strength to overcome this obstacle.

You are a survivor, a warrior, a leader. Many great athletes and politicians have this number as a Hidden Passion.

Too many ones (6 or more in a name of average length), can make a person bullish, aggressive, violent, even tyrannical.

Your Hidden Passion is 5

You love travel, change, and new challenges. You are highly adaptable and versatile. You have a talent for languages, and are generally good with words. Writing, promotion, and public relations work suit you perfectly.

You are sensual and a bit impulsive. You love to satisfy your senses, which can get you into trouble. Overindulgence in food, drink, sex, and drugs are common among people with too many 5s -- six or more.

You are resourceful and original. You have a good sense of humor and a quick tongue.

Your desire for freedom is extremely strong and it will take effort and discipline to stick with whatever it is you started. There is a tendency to give up a project or situation prematurely.

You may be interested in too many things, which can make it hard for you to apply yourself to one area successfully.

You are very unconventional.

Commitment in relationships and your work is fundamental to your happiness. You may have a tendency to wander from person to person, job to job, making depth of relationship or deep expertise difficult.

PLANES OF EXPRESSION

Each of us experiences life on four different levels: with our physical body; our mental faculty; our emotional makeup; and our intuition. Each of these areas has a specific means of perceiving information. The physical body is capable of touch, taste, pleasure, and pain. It provides us with a sense of the physical world. The mental body, like the emotional and intuitive natures, perceives the invisible worlds. Our minds deal with the world of thought. The heart, of course, is preoccupied exclusively with the world of emotion. Our feelings teach us many things about ourselves and about others. Finally, we have the capacity for direct contact with the higher realms by way of intuition. Intuitive insight comes in a flash. It is not rational -- that is the world of the mental plane -- but comes as if it were placed at the doorstep of our minds. Intuition, therefore, bypasses all effort.

These four faculties exist in all of us. But each of us depends more on one or two of them for the bulk of our knowledge. Some of us are possessed by our senses, while others live almost exclusively in our hearts, or minds.

Numerology indicates how we as individuals function on each plane.

The letters of the alphabet are divided in four categories: physical, mental, emotional and intuitive.

The proportion of each category in your name gives a good indication of which Planes of Expression are strongest in you, and which ones are weaker.

These Planes of Expression can greatly help you to understand your talents and abilities.

PLANE OF EXPRESSION PHYSICAL

Your Plane of Expression Physical is 14/5

You have a natively strong constitution. You are versatile and resourceful. You have a flexible body and quick reactions.

You enjoy change, travel, and meeting new people. You have a talent for promoting ideas.

You are attracted to the new and exciting. You seek knowledge and understanding through experience.

You go about life in a unique and innovative way; you avoid the conventional and traditional.

You talk well about many different things and are an excellent salesman if you believe in the product.

PLANE OF EXPRESSION MENTAL

Your Plane of Expression Mental is 33/6

You have the mind of a poet, writer, or actor. You see life in artistic terms. Teaching and healing come natural to you.

You carry much responsibility and are very dependable. You fulfill your obligations. Your appreciation of beauty and art is visible in your surroundings.

Your prospects for success in business are excellent, due to your practical and responsible behavior.

PLANE OF EXPRESSION EMOTIONAL

Your Plane of Expression Emotional is 17/8

Your emotions are powerful, and you tend to dominate in your personal and business relationships.

You are likely to be the controlling partner in any relationship.

You are highly ambitious. You are driven by your competitive instincts. You tend to be status conscious and want to show the world your success.

Money and power are integral parts of your life. You dream of big things in life -- heading corporations, building big businesses, directing large numbers of people.

BALANCE

People experience different internal responses to life's challenges. Some withdraw from difficult situations to think them through; others withdraw from their emotions, to

try and keep themselves from feeling anything. Some explode with emotions, but allow the explosion to pass quickly. Others linger with their feelings, holding on to them well past the time they should have let them go.

Very often, these are conditioned or emotional responses that emerge without thought or analysis. Maturity and self-development help us to learn new and more effective methods of handling our world and the problems we confront. Your Balance number provides you with the guidance on how best to deal with difficult or threatening situations.

Your Balance is 1

Draw strength from yourself but be more willing to share your troubles with friends and family. You can be a loner in the face of problems. This can isolate you during troubled times. Be open to the advice of others. This will widen your perspective on the problem and give you new information on which to base your approach.

Strength, creativity, and courage are the arms with which you will win the war.

RATIONAL THOUGHT

Your Rational Thought number reveals what can probably best be described as the way you think. Are you a practical, methodical thinker, or a dreamer? Do you frequently allow your imagination to color your perception? Are you unconventional and original in the face of a practical problem, or do you stick to proven methods?

This is the kind of information revealed through your Rational Thought number.

Your Rational Thought is 42/6

You are a listener, and you tend to relate everything to the effect it has on others.

You notice things that escape others, but when you try to find solutions, you often focus on details, forgetting the larger picture. Justice is a major factor in your thinking, many people in the legal field have this number.

When it comes to approaching a project or a problem that requires insight into the hearts and minds of children, very old people, or anyone who is disadvantaged in body or spirit, you have few equals. You are a natural defender of those who can not defend themselves. Depending on the core-numbers of your chart, you may want to consider a career in the legal field, or in the areas of teaching and healing.

CORNERSTONE

The first letter of your first name gives an additional indication to your character, particularly as to the manner in which you approach opportunities and obstacles. The first letter is called your Cornerstone.

Your Cornerstone is A

You are ambitious, independent and have great drive, you are not easily influenced. You are mental and direct. You want to take charge. You have willpower and are resolute and purposeful. You have courage and boldness but may also be stubborn and willful. Be more flexible and willing to listen to others.

SUBCONSCIOUS SELF

Your Subconscious Self reveals how you react to demanding situations. It indicates your ability to get the most out of your talents and opportunities, especially when you face new or challenging circumstances. The Subconscious Self also reveals the areas of our character that need to be strengthened.

Your Subconscious Self is 9

You are somewhat impersonal and may be difficult to get to know. You are not demonstrative of your affections, though you often have deep feelings and great compassion. You are competent and controlled in any situation. You have no specific Karmic Lessons and are therefore not as vulnerable to Life's ups and down's as others.

CHALLENGES

Each of us is born with both strengths and weaknesses. Numerology looks at life as if it were an educational process that is meant to bring out and enhance our talents, and turn our weaknesses into strengths. This serves to complete our being.

The job of becoming whole is one in which we must face our weaknesses and consciously work to improve ourselves. There are four Challenges to be faced during our lives. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.

The Challenges on your life's path provide specific lessons that you must attend to, and, in order to inspire and help you, life will place you in situations that require the specific characteristics of your Challenge numbers.

The four Challenges you are required to overcome during the course of this lifetime will influence you during different periods of your life, except for the Third or Main Challenge, which lasts from birth until death. The Challenges are fluid periods of your life, not confined to specific years so much as general periods. All of your Challenges are present at birth, like actors standing in the wings.

THE FIRST CHALLENGE

The duration of the First Challenge usually lasts from birth until approximately the age of 30 to 35.

Your First Challenge is 0

This is a less demanding challenge. Growth is allowed to take place without one particularly serious obstacle. This does not mean that there will not be challenges on your path, but there is no single and consistent challenge during this period.

You are being challenged to stay faithful and focused on your highest ideals.

There is an opportunity to go deeper within yourself, and discover the inner being that is you.

THE SECOND CHALLENGE

The Second Challenge usually lasts until the age of about 35 to 40.

Your Second Challenge is 1

You must learn to be independent. You will be forced to stand up for yourself and your rights. You will be faced with situations in which you will have to choose between standing up for what you think is right versus giving in to another person's demands. You will have to struggle to strengthen and know your own will power.

You will have to learn to be firm and trust your judgment. Don't run with the crowd, be an individual. This whole lesson represents the frontiers of your consciousness. Therefore, you will have to experience much trial and error, sometimes exploding with bursts of aggression, other times being intimidated and letting frustration and anger build within you until you are ready to act on your deepest instincts.

You will learn your own set of values; you will develop into an individual with original and innovative ideas.

If you have 1s in your core numbers or in your Hidden Passion this challenge will not be as difficult to learn, nor as strongly felt.

THIRD CHALLENGE

This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.

As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward.

In short, this may be the secret to your success.

THE FOURTH CHALLENGE

The Fourth Challenge is most strongly felt during the latter part of our lives, beginning at the age of approximately 45.

Your Fourth Challenge is 1

You must learn to be independent. You will be forced to stand up for yourself and your rights. PINNACLES

The Pinnacles are four long-term cycles, or periods, on our Life Path. Each Pinnacle represents a particular lesson we are working on. The first Pinnacle usually lasts from birth to between the ages of 30 and 35 (your specific Pinnacle periods are provided below). The middle two Pinnacles each last nine years. The last Pinnacle will stay with you for the remainder of your life.

The Pinnacles are very important. The transition from one Pinnacle to the next is

always strongly felt. Your Pinnacles reveal the general conditions and events you will experience during the period. The Pinnacle describes the atmosphere, or the essential challenge you will be faced with.

You can prepare yourself for the times ahead by knowing your approaching Pinnacle number.

The transition from one Pinnacle to the next is usually prepared for approximately 2 years in advance. The latter part of that two year period is particularly strong. You will likely make some life-altering decisions -- marriage, job or career change, or any number of major changes in your character.

Perhaps the most strongly felt change -- internally as well as externally -- is the transition from the first to the second Pinnacle. This change usually takes place in your late 20s or early 30s -- the exact date depends on your Life Path number and is provided below. You begin to feel the impact of this coming change approximately two years prior. This is usually a difficult transition, but once crossed usually provides a clear sense of direction in one's life. It also gives you a much firmer sense of your identity. It is a gateway to maturity.

Your First Pinnacle (from birth until age 28) is 6

Under this Pinnacle you will be very involved with family, friends, and your community. You will face an increase in responsibilities and duties, but you have a greatly enhanced sense of balance and perspective that allows you to handle emotional issues well.

Your family demands much of your attention. Matters involving spouse and children require much security, love, and sacrifice. You are the centerpiece of your family, the one people come to for solace and understanding. You may feel an increased burden, as you carry the cares of many. You will experience a deep sense of being needed.

This Pinnacle is full of love, closeness, and warmth, but you must rise to the challenges that close relationships bring. You must settle and bring harmony to personal conflicts between others. You are often the only one with perspective in a conflict. It is as if you are the keeper of justice, bringing understanding and compromise to situations that are polarized.

Under the influences of this Pinnacle -- especially at its outset -- people are often married or start families. Children are born, in-laws come into your life. You are the nucleus of a little world.

You must maintain your dignity. This is a period that makes it easier to sacrifice, but you can overdo it, becoming a doormat for others to step on simply to maintain a degree of peace. Know your limits and maintain healthy relationships.

This is a fine period for growth in business and financial matters. You attract people with resources who can help to further your personal goals. Moreover, you are balanced in your approach to business affairs. This can bring many rewards.

Your heightened sense of harmony and your genuine compassion makes you an excellent counselor and healer, especially if you already have native talent in any of these areas.

Personal health matters can also surface, causing you to reflect on diet, exercise, and other health habits.

Your desire to help others is also increased. But this can lead you to poke yourself into

situations where you do not belong, or delve too deeply into other people's personal affairs. Be careful not to meddle or interfere.

The 6 Pinnacle is a time of progress and growth as a full human being. You are capable of developing yourself in many different directions -- as a loving mate and parent; a sound businessperson; and as a pillar of your community. The time requires the balance you possess, since you can easily stretch yourself in too many directions and ultimately feel burned out by the demands in your milieu.

Your Second Pinnacle (from age 29 until age 37) is 5

This is a period that will teach the realities of freedom and expansion. You will travel great distances, meet many new and interesting people, experience many adventures, and essentially come to know the world. You are in a period of accelerated experimentation and learning. Experience is your teacher.

Your ability with words is greatly increased. You can write and speak with ease. You are also able to successfully promote yourself. In fact, this is the source of much adventure; new opportunities for work, travel, and exotic experiences present themselves with regularity.

Your challenge is to prevent yourself from becoming a rolling stone. You need to ground yourself in a particular discipline, career, or relationship. This will not limit your freedoms so much as give you a base for operation. Otherwise, you may find yourself skipping from one meaningless job to the next, one superficial relationship after another. You can also fall victim to the abuse of food, alcohol, sex, or drugs.

You may fear being anchored or tied down, which can cause you to skim the surface of a pursuit you enjoy, or important relationships.

You must come to know the true meaning of freedom, which is unconditional love. You give your love and energy without the condition of holding on to a place, a person, or an occupation; and you expect the same in return -- to be loved for what you are, rather than someone who belongs to another. There is a highly spiritual path offering itself that requires detachment without loss of love.

Many turn away from this and instead choose to maintain a superficial relationship with the world, or with other people.

You must cultivate your talents, especially your verbal and writing abilities. You are likely a gifted salesperson, or promoter.

You must accept limitations as a necessary base for your freedom. Freedom cannot exist without limitations, otherwise you would be without identity, and without existence.

Your Third Pinnacle (from age 38 until age 46) is 11

This is a challenging period in which you are at a high point of sensitivity and intuition. There is so much going on in your psyche that you can suffer much confusion over direction and identity. On the other hand, there is a wide open channel between the personal consciousness and the higher realms of the unconscious. You are constantly being inspired and even assaulted by information and insight.

Because of the intensity of these revelations, you must learn to ground your life in faith and a practical vocation that keeps your feet on the ground everyday.

This is a period of enormous spiritual and personal growth. You will come out of it with a highly uncommon clarity and understanding of life. At the same time, it is a period of enormous demands, emotionally and spiritually. Any attachment you might have to specific identity traits -- who you think you are and why you are here, for example -- is constantly challenged.

There is a desire to settle into some field or way of life to attain stability, but the energy of this Pinnacle is not allowing it. It is as if there is a destination, or destiny, to which you are being driven. You do not feel in control of this process. Instead, you are acutely aware of the forces that are shaping your life. You must surrender to them.

Meanwhile, you experience the emotional turmoil that can come with this highly charged period.

There is a definite, even compelling, sense of being different. You are aware of a feeling of receiving special attention from spiritual forces. Your perception of life is somehow more acute than others; you see more clearly and more spiritually due to your high degree of sensitivity. It is as if you have a perfectly accurate peripheral vision, in which everything stands out in sharp relief. At times you may feel that you can see into the souls of things.

At the same time, you may feel like a foreigner to the earth. You are completely impractical. Sometimes you may feel that you do not understand the workings of the physical world. Practical things escape you. You feel awkward and clumsy at times, and are aware perhaps how fluidly other lives are going. This increases your sense of being an outsider.

More important than all the awkwardness and feelings of being different is the overwhelming sense of having a purpose or a message to reveal that will make other people's lives happier, healthier, and more at peace. You want desperately to bring this out.

The challenge of the 11 Pinnacle is to remain grounded and attached to this dream. You must find practical and useful ways to be of service to others, at the same time developing yourself so that one day you may be able to bring forth that which is within you.

The influences of this period make you highly creative, innovative, and inventive. You have a completely unconventional approach to problems. Trust your intuition, seek harmonious settings to restore your sense of inner peace, and work hard to keep your feet on the ground. This period will bring great rewards on all levels, and with perseverance you will find your rightful place.

Your Fourth Pinnacle (from age 47) is 5

This is a period that will teach the realities of freedom and expansion. You will travel great distances, meet many new and interesting people, experience many adventures, and essentially come to know the world. You are in a period of accelerated experimentation and learning. Experience is your teacher.
