ABOUT YOUR RELATIONSHIP COMPATIBILITY PROFILE & FORECAST

This report analyzes the personalities of both subjects to assess their compatibility. It also offers suggestions for ways to mitigate the stress or damage that can come from differing personalities and perspectives.

When you are involved in a relationship, you come to know each other more deeply over time. At first friction is rare. As time goes by and you discover additional sides to your partner, you become aware of personality traits you appreciate as well as some that rub you the wrong way. Even if you consider your relationship nearly perfect, you will experience occasional bouts of conflict.

Negative traits are almost always a cause of friction, but it is interesting to note that some qualities that are considered positive can also be incompatible. You may find this report to be more critical, or even harsh, compared to other readings of this type. My approach is designed to throw light on differences in your chart that might benefit from a frank, unbiased examination. Ignoring potential issues can cause more damage in the long run than a few honest remarks in a reading.

You will probably encounter some texts that state: “The compatibility aspect in this area of the chart is already included in other parts of this report.” Those texts are not repeated here because they are either redundant or offset by other conditions. This is done to offer a perspective that is as well balanced and clear as possible; repeating certain traits would place too much emphasis on them.

If you have received previous reports that mentioned double-digit numbers in your chart, such as Master numbers or Karmic Debt numbers, you will notice in the Relationship Compatibility Reports all numbers are reduced to single digits. This is because single digit numbers are the essential influences that affect relationship compatibility; including double-digit numbers would only diminish the clarity we aim for.

I hope you will appreciate the perspective of your Compatibility Report and will find it beneficial to your relationship.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Jennifer, your Life Path number is 4

You are practical, down to earth with strong ideas about right and wrong. You are orderly and organized, systematic and controlled, you are decisive and methodical employing a step by step rational approach to problems solving. Once committed you do not give up easily. You are not one for "get rich quick" schemes. Rather you use hard work and long hours to build a business or career- you seek to establish a solid foundation.

Precise, tenacious and persevering, you have great potential for success, but only after putting out effort and overcoming the limitations you so often encounter. Justice and honesty are sacred to you. You are reliable and dependable, a cornerstone in the community.

Though not an idealist, you are willing to work for a better world in a realistic way. However, you can be rigid in your ideas and sometimes too quick in judging your fellow man. You are loyal to those you love and work well with others. . It is important that while being part of a team you have your own responsibility and well- defined task, you perform better when your responsibilities are not overlapping with those of others. You have to be careful not to be bossy and rude. You possess rare discipline and perseverance and not everyone can keep up with you.

You can handle money carefully and like the security of a nest egg. Your love of work often leads you into a career early in life. Because of your methodical nature you can easily become rigid and stuck in convention. You can also be overly cautious when changes are necessary, this can cause you to miss opportunities that present themselves. You must cultivate flexibility in your character. You are well suited for marriage and often become a responsible loving parent. However, anything that violates your profound sense of order, such as separation or divorce can be a shattering experience for you. You easily become obsessed and even vengeful, seeking your own definition of justice.

You are courageous and a true survivor. You are a builder and the foundation of any enterprise. Your hard work and practical, traditional values pay off to provide you with the rewards you seek and deserve.

John, your Life Path number is 1

John, you are a born leader. You insist on your right to make up your own mind; you demand freedom of thought and action. You are driven and determined. You don't let anything, or anyone stand in your way once you are committed to your goal. You assume the responsibility to be the protector and provider for those you love. You demand respect and attention and become irritated and even domineering when important things do not go your way. You need to feel in command of important undertakings and resist supportive roles. You seek the forefront and the limelight. You are concerned with your status and foster the appearance of success and self-satisfaction. The need to appear well off propels you to strive for growth, success and the finer things of life.

You are exceptionally creative and original and possess a touch of the unusual. Your approach to problems is unique and you have the courage to wander from the beaten path. You can be impatient with your shortcomings and those of others.

You should watch out for selfishness, conceit and the over-concern with appearance. You must guard against overzealous behavior, anger and aggressiveness. If these qualities are not brought under control you could become excessively domineering, vindictive and even violent. You perform best when you are left to your own devices. Ideally you should own your own business and be your own boss. Hold fast to your life's dream and work with the determination you possess to realize it.

You can become overly stressed by your driven nature. Be careful about the food you eat and maintain an exercise program you enjoy. Competition sports are often a healthy outlet for a person with your drive, particularly sports involving running and swimming. Don't let pride and overconfidence be your masters. Remember, your talents and abilities are a gift from a higher source, which should promote gratitude and humility, rather than pride and conceit.

More often than not a person with a 1 Life Path will achieve much in life as long as the drive, creativity, originality and pioneering spirit are fully employed!

HOW YOUR LIFE PATH NUMBERS COMPARE

Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.

Jennifer and John, your Life Path Compatibility is 4 and 1

This aspect of the chart reveals a combination that can be as solid as a rock for a long period only to crash and burn in an instant. Stubborn, highly motivated, a self-starter and an unconventional individualist, John is adventurous and ready to try anything new, even risky endeavors. Strongly driven, people with the number 1 are not usually concerned about other's expectations. John generally does whatever She wants and will fight

almost anyone who gets in the way. John is no less gifted in the areas of persistence and ambition but has a very different attitude and approach. he is influenced by the number 4 which is sturdy, reliable, patient, responsible, conventional, detail-oriented, and "does things the right way". This difference is precisely where potential pitfalls lie in your relationship.

Jennifer has both feet planted firmly on the ground. Undeterred by the prospect of dealing with things that are boring or routine. She will complete the job no matter what. John on the other hand, does not have that kind of patience; he will barge ahead unconcerned about the consequences

Your relationship can thrive unless John starts down a path of unknowns with risky, questionable aims. This is likely to happen at times, at which point Jennifer will likely be seen as a stick in the mud and a source of frustration for John. If this conflict is not handled with care, it could bring an end to the relationship.

However, if John can respect Jennifer's need for a secure, perhaps even predictable, lifestyle, and Jennifer can understand John's need to try new things and occasionally venture into the unknown, the relationship should endure. Recognizing and respecting your differences is key.

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Jennifer, your Expression is 7

You are gifted with an analytical mind and an enormous appetite for the answers to life's hidden questions. You have a strong interest in exploring scientific matters, philosophy, and even mysticism. You possess clarity and persistence in your search for truth. You can be a great researcher, educator, and philosopher. You are driven by a desire for knowledge and truth. You must learn to discriminate between illusion and reality, but you are well equipped for this task. Your fine mind offers insight into the veiled mysteries of life. You also possess a considerable amount of perspective. Somewhere inside you, you are aware of a peaceful place that you call upon during difficult times.

Jennifer, you need time to be by yourself. Too much social interaction causes you stress. You need your privacy and a place that can be shut off from the hustle and bustle of life. You tend to keep your thoughts to yourself and are secretive. Unless your 7 expression is balanced by extrovert characteristics (usually revealed by the numbers 1, 3, 5, and 8), your introversion may pull you deeply within yourself, even cutting you off from others.

You have a strong dislike of the superficial and mundane. You are often surprised by the lack of understanding or depth of knowledge of others, many of whom do not take the search for knowledge as seriously as you do. This can cause you to be critical of others, and even cynical about life in general. The more cut off from others you become, the more hidden are your motives. Once you develop understanding of people and life, your advice and counsel will be sought by those around you who need your wisdom.

You love to specialize your knowledge and develop great depth within your field. You are a perfectionist. You should complete your studies early in life and not be driven too hard by a desire to be successful. Let things come at their own pace, be open to opportunity, but remember your rewards, satisfaction, and contentment come from a higher source.

Sevens can be distant and aloof. When dominated by their darker characteristics, they can be unfaithful,

dishonest, and cruel. Contemplation, meditation, and the softer, finer vibrations of life can restore your sense of harmony and keep you on the path to peace and balance.

You have a logical mind. Your analytical skills cause you to approach a problem in a detached, surgical kind of way. Researchers, analysts, investigators, inventors, technicians, scholars, lawyers, bankers, watchmakers, priests, philosophers, theologians, and administrators in some scientific or technical field are among the vocations 7s are drawn to.

John, your Expression is 8

Jennifer, you have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition.

You enjoy challenges and rivalry. You are a realist and a visionary planner.

Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path. You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

You are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all! At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you. It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. Jennifer, you can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution.

HOW YOUR EXPRESSION NUMBERS COMPARE

More than any other number in your chart, your Expression number reflects who you are as a whole person on a deep level (rather than the "face" you show to the world, described by your Personality number).

It cannot be over-emphasized how important it is to recognize that the same number in a different area of your chart will affect you differently. There may be times you read something that seems to directly contradict an earlier statement. Yet, if you take time to carefully think about the opposing information you might recognize that, being the complex individual you are, you carry the same contradictions. This is natural and true for all of us. You may excel at organization in one area of your life, while chaos rules in another. You may be tactful and sensitive in one setting, but direct and confrontational in another.

Be aware that it is more difficult to overcome negative traits you recognize in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

Jennifer and John, your Expression Compatibility is 7 and 8

Jennifer and John, this combination indicates your relationship is most likely supported by other numbers and influences in your chart, rather than the 7 and 8 found in this area. The 7 and 8 are usually not attracted to each other or particularly compatible in romantic relationships. The notion that opposites attract does not often hold true here.

This does not mean you cannot have a fulfilling, well-suited relationship, but simply that other numbers in your chart are likely the source of your mutual attraction. Carrying the 7 and the 8 in this location of your chart, however, suggests you have major differences that could cause problems.

Your priorities differ. This aspect of the chart tells us John (the 8) has a strong drive for financial success and security. For Jennifer, spiritual and intellectual growth is a higher priority. John intuitively understands the balance between the material and intangible, which is the reason he excels in business, marketing, or sales. (One must be somewhat detached from material gain to have the vision and clarity it takes to successfully pursue a goal.) Jennifer moves in the inner realms, and is not intrinsically drawn to business, even deeming it unworthy of attention. She would rather discuss political, philosophical, or spiritual matters, with a preference for the abstract - issues that could seem boring to John who prefers a practical, down-to-earth approach that focuses on results.

Similarly, you could find yourselves at opposite ends of the spectrum when it comes to likes and dislikes, from movies to books, travel to housing, decorating, art, and so forth. Jennifer might enjoy living in a rather isolated, cozy, country home, while John would be happy in a futuristic loft in a large metropolis. The friends you attract will also be quite different. The 7 in Jennifer's chart points to quiet conversations rather than loud parties. John occasionally enjoys an energetic environment and interaction with others.

The potential lack of compatibility between these numbers has nothing to do with the heart. It generally involves practical preferences, such as where to live, how to decorate the house, and who you become friends with. This can be overcome by allowing each other considerable space and freedom in the way you live your lives. You will both need to recognize and accept your differences. Keep in mind there are influences in other areas of your chart that may mitigate some of these contrasts. If so, focus on the things you both enjoy, then allow one another the freedom to express your individuality.

THE HEART'S DESIRE

The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

Jennifer, your Heart's Desire number is 1

Your overpowering need is to be independent and to direct your own life according to what you believe. Your dream is to become the leader of whatever field you enter. Whether it is in business, community, or in your general area of expertise, you are driven to be the reigning figure. You have the courage and the confidence to lead others. You believe firmly that your judgment is preeminent over all others. This gives you the confidence to make bold decisions and carry them out, even when other lives are greatly affected by what you do. You rarely look back once you have decided.

You possess intelligence and wit. You are keenly insightful and are good at evaluating the abilities of others. You are supremely individualistic. In your manner and dress, you like to project your own unique persona. Consequently, you don't mind being controversial, and can even enjoy the attention and impact you have made on your surroundings.

You dislike routines, or anything that limits your freedom and independence. Whenever you commit to something you truly love, you are tenacious in your ability to endure difficulties and overcome obstacles. You are highly responsible; you hate passing the buck. You possess remarkable willpower and a strong drive to succeed. You are always looking for innovative ways of doing things.

Because you seek to be the boss in any endeavor, you tend to dominate others. If you are not careful, especially in dealing with your subordinates and family, you may become ruthless in your decisions and behavior. You can also fall victim to impatience and intolerance, particularly if you grow conceited or superior.

You are the pioneer and the ground-breaker. You love the foreground, the hot-seat of responsibility. You have all the talents to succeed. If you maintain balance in your life, allowing others full expression of their thoughts and abilities, you will easily rise to the top of your chosen field and realize your ambitions.

John, your Heart's Desire number is 6

Your attention is directed to helping and caring for those you love. You are exceedingly domestic. You love your home and family and work hard to make both comfortable and secure. Your love for family and friends is a major source of your happiness and sometimes unhappiness. Your desire to help others is so strong that you often find yourself sacrificing your own personal needs for someone else's. You can overdo it, becoming too deeply involved in other people's lives. You risk interfering in personal matters and or smothering those you love in too much affection. This can be especially weakening to children, who never experience their own personal strength if an adult is too protective.

You are extremely loyal and rarely let anyone down. You need to feel appreciation for your giving and caring. You want to know that you are needed. You are generous and very forgiving. You are somehow able to overlook the worst mistakes in another and find enough good in that person to continue the relationship. You are patient, warm, and sympathetic, sometimes to the point of sentimentality.

You have a natural ability as a counselor and healer. You are an excellent listener, compassionate and understanding. You can both sympathize and empathize with a person's dilemma. Your challenge as a counselor is to be adequately educated so that you can do more than provide a sympathetic ear or shoulder.

You possess a great deal of artistic talent, though you may not have a lot of confidence in your ability. Art gives you a great deal of pleasure and satisfaction. You are especially sensitive to your environment and have a knack for creating an artistic, healing, and harmonious atmosphere in your home or work space.

Your deepest intention is to love those around you and be loved in return. Six is the most loving of all numbers, especially in one-to-one relationships. Your instincts are toward your family and friends. You envision a beautiful and harmonious life with love as the basis for all social interaction. Your love is returned manifold; people appreciate you and the love you give and are willing to go to great lengths to keep you close at hand.

HOW YOUR HEART'S DESIRE NUMBERS COMPARE

Compatibility of the Heart's Desire number is very important in a relationship. Few relationships last beyond the initial stage if these numbers are not harmonious.

Jennifer and John, your Heart's Desire Compatibility is 1 and 6

John and Jennifer, yours is a lovely combination. John's 6 (by nature the most harmonious of all numbers) reflects a great capacity for love, understanding, sacrifice and support – with Jennifer as the beneficiary. And Jennifer's strong, dynamic 1 gives her the desire to protect and defend John through thick and thin, making John feel safe and secure. This is a combination that can last for a long time without the turbulence so many relationships experience. But, as always, there is another side to the coin.

This aspect of Jennifer's chart reveals an inner determination and a driven energy that doesn't slow down for anything. Jennifer does not look kindly on weakness and can be demanding of others. Like a true leader, She expects courage and strength from those around her. John reveals a different nature (at least in this area of the chart). John is compromising, forgiving and sometimes sacrificing to a fault. Jennifer should be careful not to see this as a weakness.

Likewise, John may at times be disturbed by the somewhat gruff and unforgiving quality Jennifer can display. John should not confuse this with a lack of compassion. Jennifer is quite capable of feeling empathy, especially toward victims of circumstance where negligence, laziness, or cowardice are not the cause. Jennifer is only likely to respond harshly when She feels someone is not pulling their own weight.

The important thing for both of you to recognize is that you sometimes differ in your opinions about what the most valuable human qualities are. Your priorities differ - no harm no foul. If you can respect this contrast and value one another's positive qualities, your relationship has the potential to be happy and long lasting.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Jennifer, your Personality number is 6

You radiate understanding and compassion. People sense your warmth and fairness. For this reason, you attract many people who need comfort, including the disadvantaged. People tend to come to you to unload their burdens. You inspire confidence. You have a fine sense of justice. You do everything in your power to keep the harmony and are even willing to sacrifice your personal desires for the good of others.

You can take this too far, however, sometimes playing the role of the martyr. You have to guard against being taken advantage of. You are not always a very good judge of character. You tend to see the best in others.

You can also become too involved in the lives of others, to your own detriment. (This aspect can be balanced by other numbers in your chart.) You are hospitable and domestic. You love children and are a good parent. You are romantic, faithful and very protective.

You are artistic. You love music, flowers and gardening. You are a natural interior designer. You have an excellent sense of color and taste. You are more concerned with the content of your personality than your appearance, which causes you to be less conscious of the style of your clothes. You are more interested in comfort and the utility of clothing than the statement it makes.

Six Personality Numbers are exceedingly generous. You are not particularly logical when it comes to finances.

You are very vulnerable to praise and criticism. You tend to worry a lot, causing stomach problems.

People see you as a maternal or paternal figure. They want to relax in your presence and unburden

themselves. You are the safe port in the crowd.

John, your Personality number is 2

Jennifer, you appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening.

Your dress is neat and clean. Your clothing should be comfortable, soft, and flowing. You should avoid plain and understated clothes. Try to be a little more daring and exciting in your appearance. This will balance nicely with your perceptive and open personality.

You are very patient and understanding, and a wonderful listener. You make others feel important and loved. You are sensitive and become tense in a disharmonious atmosphere. You have experienced quite a bit of negative criticism as a child, which made you shy growing up. Though you may be well past that shyness, a bit of the vulnerability has remained with you and is often sensed by others.

You are a peacemaker. Arguments leave you drained. People sense your desire for harmony. But you must avoid being the blank tablet for others' projections. People may underestimate your strength, but this is a mistake. You are strong. You bend, but don't break. Exercise is important to your appearance and to promote the level of strength you radiate.

You have a fine sense of beauty and excellent taste. There is a grace in your movements, reflecting your keen sense of harmony and refinement. The opposite sex is attracted to your gentle and attentive nature yet senses the passion beneath your surface. You have sex appeal.

HOW YOUR PERSONALITY NUMBERS COMPARE

Your Personality is the first aspect people notice when you first meet. Very few relationships have a chance to progress if their Personality numbers are not compatible.

Jennifer and John, your Personality Compatibility is 6 and 2

Your numbers, 2 (John) and 6 (Jennifer), are considered the most loving numbers of all. However, they express their love in different ways. John, having a 2 in this part of the chart reveals your sensitivity, emotional awareness (of yourself and others) and your ability to read the subtle and often hidden motives in others. Jennifer, the 6 points to your powerful urge to comfort, care for, and protect others. In fact, one of the few traits a 6 must guard against is not smothering others with love.

This combination forms a strong foundation for any relationship, but particularly for romance. You both love easily and without reservation and neither of you are afraid to reveal your feelings. However, it is only in the strength of your love and your need to give that these numbers overlap. In many other respects you are quite different, and sometimes even opposites. John, your love focuses on emotions; it is driven by the need for companionship, security, and comfort. You are intuitively aware of the fragile nature of life and probably have a tendency to be a little needy and perhaps insecure. This has the potential to produce jealousy about Jennifer's friends or business associates. Jennifer, on the other hand, can be oblivious to the subtle signs that something is brewing under John's quiet demeanor. Jennifer is less likely to feel insecure in the relationship and doesn't consider spending time with others a sign She is less committed.

Although Jennifer is not particularly afraid of romantic competition, her weak spots also show up in this relationship. Where John requires attention and emotional support to feel secure, Jennifer tends to spread attention around looking for approval and appreciation from others. Although sincere, Jennifer may reach out to care and comfort others to fill a space that can't be filled, sometimes forgetting to focus on what (or who) is most important.

Most likely, neither of these issues will seriously threaten your relationship; you are more highly compatible than most number combinations. Being aware of, talking about, and respecting your differences can help you form a rewarding, long-lasting relationship.

MATURITY NUMBER

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

Jennifer, your Maturity number is 2

As you mature, you will discover that you possess a growing talent for understanding and working with other people. Your ability to influence others through tact and diplomacy will grow. These talents will further you along in your career or business. You will become increasingly shrewd and will learn the art of discrimination. Your sensitivity to the needs and desires of others improves dramatically. You will be able to evaluate their motivations with a growing clarity and uncanny accuracy.

You find you can get more done by persuasion and gentle guidance than by force. You may well have to learn to assume the role as the power behind the throne. Your influence is less public, and you may not always receive the public recognition you deserve. However, your satisfaction comes from seeing the fruition of your own ideas come about, the result of teamwork and cooperative efforts.

If you already have many 2s in your chart, especially in the core numbers, you may become overly sensitive, a characteristic you will have to keep in check. If you have few 2s in your chart, the influence of your Maturity Number will greatly increase your ability to work harmoniously with other people.

John, your Maturity number is 9

John, your concern for the wellbeing of society will grow more powerful as you come to maturity. You will be drawn to doing much public service. The long-term good of your community and even the world will occupy your thoughts increasingly. Service to humanity is fundamental to your life. You will grow in understanding and wisdom as you mature. Involvement with international affairs or humanitarian service offers you much satisfaction.

As you mature, your appreciation for the arts and beauty in any form will also increase. It is quite possible that you will be actively involved in the arts, if that is not already the case, often as a benefactor.

If you have few 9s in your chart, or none at all, you will gain a sense of your personal place among the human race. You will feel you belong and that you have provided something of lasting value for the future.

If you already have several 9s in your chart, especially among the core numbers, you will have to guard against arrogance, aloofness, and alienation.

HOW YOUR MATURITY NUMBERS COMPARE

Your Maturity number becomes more dominant with age. The texts below become increasingly important after about age 40.

Jennifer and John, your Maturity Compatibility is 2 and 9

Where Jennifer is open and easygoing in matters of the heart, John is probably more careful and perhaps somewhat distant. It is likely he recognizes the need to maintain a safe distance has been a factor in causing past relationships to end. It is not easy for John to be deeply involved in a relationship, or to act uninhibitedly.

Jennifer is just the opposite. She finds it natural to feel safe and probably responds easily without having to weigh every potential consequence. John it is important to note that there is no shortage of love or caring in your nature; you are self-sacrificing and generous to a fault. The difficulty arises only when relationships become more intimate, closer to the “inner” you. If there is a little distance, you feel safe. Jennifer, you are very different. You will invite John to share even your deepest feelings without hesitation. But if he backs away you carry the potential to respond with confusion, jealousy, or resentment.

Generally, the 2 and 9 do not get along easily. Although both are caring, loving numbers, the idealistic 9 (John) prefers to focus on the world at large, to strangers and issues concerning humanity. The 2 (Jennifer) is more emotionally involved and focuses on forming a close, cooperative relationship with one person. Interestingly, the 2 and the 9 comfortably form powerful alliances in other circumstances, particularly business. In combination they can negotiate with and influence just about anyone.

Your relationship issues can be countered, with effort. If it is to grow and endure, John will need to let go a little, relax the constant vigil, and become more responsive to the moment. Jennifer will need to recognize this does not come easily to her partner. Try to understand that John’s need for distance does not mean his love is less real, or not as strong as yours.

Being sensitive to and accepting of your differences can help you build a rewarding relationship – a relationship that can also be quite prosperous, especially in the business world, if you combine your respective strengths.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Jennifer, your Personal Year cycle for 2020 is 5

This is a year of dynamic change. Many surprises will come your way. Be open and ready to embrace new opportunities. Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you. There will be increased opportunity to travel and possibly a change of residence. You will have some unexpected adventures and lucky breaks this year.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

John, your Personal Year cycle for 2020 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large.

There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself clearer and more focused and able to pursue and reach your goals. Your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused.

There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

YOUR PERSONAL YEAR CYCLE COMPATIBILITY

It is not uncommon for two people to share the same Personal Year cycle (about 1 in 10), and when that is the case, they will always share the same Personal Year and Personal Month cycles. This is generally considered a positive between couples but not always; just as two people respond different to the same weather or landscape, they are affected in a different way by cycles. Still, there is a shared experience and therefore potentially, a shared understanding.

Jennifer and John, your Personal Year's Compatibility in 2020 is 5 and 8

When it rains, it pours. This is a cycle where neither of you will find it easy to keep up with the other. Jennifer, you will have a lot going on, juggling more balls than usual, while John's vision and ambition should keep him focused on plans and opportunities.

With very different energies influencing you during this period, there won't be much room to sit and simply enjoy each other's company. No worries, you should have plenty of time for that during your next cycle

when you both shift your focus toward family, friends, and each other.

Jennifer, your cycle is likely to bring changes, but it will take time (probably several cycles) before you are able to clearly see their full effect. Your energy will probably feel like atoms bouncing everywhere as you explore and establish boundaries. John's cycle will be more highly focused. It has the potential to put his next goal sharply in focus, centered on a single point.

The most common mistake for couples in this combination is trying to force their perspective on their partner, which could cause frustration and a limiting of this cycle's potential. This is a time when you need to allow one another the freedom to pursue individual objectives, without having to explain too much or account for your actions.

Jennifer, your Personal Year cycle for 2021 is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self-reflection and readjustments, and December brings a sense of completion and fulfillment.

John, your Personal Year cycle for 2021 is 9

This is your year to finish up all unfinished business, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts.

On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with yourself. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative,

enjoy music and other arts. Your creativity is higher than usual.

There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and will you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicycle.

Jennifer and John, your Personal Year's Compatibility in 2021 is 6 and 9

Jennifer and John, although this may be an emotional period for John, it is considered a very compatible cycle combination.

Jennifer, your 6 should help you feel especially devoted and committed to the relationship during this period, which is exactly what your partner needs. He could feel a little worn out and rudderless or have concerns that expectations have not been met. Mood swings and doubt can play havoc during a 9 cycle (less in a monthly cycle, more in a yearly) because it is the end of a cycle where loose ends need to be tied up.

You, on the other hand, should feel stable and be able to offer comfort and support. Your 6 inspires love, nurturing, and concern for others. This is also a favorable time for you to focus on practical matters, especially those relating to home, family, and career.

Much will depend on your ability to offer encouragement and reassurance; but John offers important insight as well, bringing moments of clarity and an enhanced perspective to your mutual goals and expectations. He brings inspiration born of an urgency to figure out what is happening and where to go next. Like adrenaline for the soul, moments of apprehension or fear can actually help him see more clearly.

Love, commitment, and sacrifice are the main ingredients in both of your cycles. However, because your 6 lends an especially warm, personal connection, you should be able to help lessen the emotional tenderness that is likely to accompany John's transitional cycle.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Jennifer, your Personal Month for February-2020 is 7

February finds you more inwardly focused. Self-reflection and contemplation bring spiritual clarity and growth. At the same time, your career improves and you manage to impress important people. Doors that have been closed open and offer access to opportunities. Financially, this month may also show some progress but the emphasize is more on opportunities and your ability to take advantage of them.

Warnings are justified in two areas. Your dynamism and excitement may cause you to be somewhat insensitive at times. Also, you would rather plan and discuss future endeavors than to put forth the effort required to take full advantage of current opportunities. Key-words to make this month a success are caution and discipline.

If you are married or otherwise committed, you may feel a little distant from your partner. This is temporary and does not require any special attention. If you are single, romance is not a high priority. Minor health problems that have not been treated may come to the foreground. This is a good month to apply discipline to your eating habits and to step-up your exercise regimen.

John, your Personal Month for February-2020 is 1

This February things begin to speed up. Unlike last month, you now feel full of energy and enthusiasm. In fact, you're impatient to start new projects, and must guard against impulsive decisions. Your career and financial affairs are the areas of your life that require the most attention. There are great opportunities as well as potential dangers. This is the year marked by opposites: times when everything seems to go your way, and other times when it seems the rug has been pulled out from under you. February gives the first indication of what this year will bring but, more important, it challenges you to put your best foot forward, to show what you are made of.

The month may begin with a challenge. You may have to confront one of your biggest fears, which is followed by an opportunity to put that fear to rest once and for all. Courage, determination, and inner strength are the needed ingredients that will make this a successful month and a profitable year. The year can be characterized by the old carrot-and-stick metaphor: February reveals the carrot -- the prize you can obtain -- but it also shows the pitfalls and dangers; in short, the stick.

Relationships are favorable in all areas of your life. Co-workers show support, friends tell you how much they admire you, relatives make it clear they have confidence in you, and your lover makes you feel you deserve the best.

YOUR MONTHLY RELATIONSHIP FORECAST

Jennifer and John, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity. This is by no means common, but when certain numbers are aligned just so, it can throw things of balance.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

You may also want to refresh your memory by taking another look at your Relationship Compatibility Profile as well as your yearly cycles.

Your Personal Month's Compatibility for February, 2019 is 7 and 1

Jennifer and John, the challenge for a relationship between these cycles is to maintain a feeling of belonging. There are big differences between the way the 1 and the 7 affect an individual, but one thing they have in common is that both cycles increase the awareness of independence and individuality. During this period, you are both likely to feel a little distance in your relationship, which is not necessarily negative - in fact it may actually strengthen your partnership.

However, if your expectation is that you will spend a great deal of time together, share everything, and that nothing will change, your experience may fall short. The wise thing to do is to accept the fact that you will probably move apart somewhat during this period as a temporary and necessary part of your personal growth.

John's 1 tells us he will be focused on his career or other goals, busily taking advantage of opportunities for progress. Your attention will be focused inward toward spiritual and mental growth. This is a period of self-discovery and your need to spend time alone is part of that process.

Although different in nature, you both have individual needs that require focusing more on yourselves and less on your partner. This may make you feel as if the relationship is weakening. However, unless you turn it into an issue this should not be the case. If you accept the fact that your partner's attention is focused elsewhere, you will find that this period offers growth for both of you as individuals, but not at the cost of the relationship.

Jennifer, your Personal Month for March-2020 is 8

Be careful in all financial matters this month. Issues involving money take center stage. More people go bankrupt or make a killing during this period than with almost any other number combination. Now, especially, you are required to balance the material and the spiritual. If you are considering a major purchase that involves long-range financing -- such as buying a house or a car -- but you question whether you can fulfill the obligation, you would do well to wait until the second half of May before acting.

The worlds of work and personal relationships require an opposite approach this month. A certain amount of aggression in career and business matters is favorable. Promote your ideas. Put out effort. Work harder and longer than is required. On the other hand, your personal life requires patience and understanding -- both of others and yourself. You may want to clear the air between you and a loved one, but you have difficulty overcoming your fear of being misunderstood. Or perhaps you are not clear about what you feel. Try putting your thoughts on paper first to achieve a higher degree of clarity.

John, your Personal Month for March-2020 is 2

March demonstrates how you can sometimes make more progress and be more successful by staying in the background than by forcing the issue. March gives you ample opportunity to influence others, to make them listen to your ideas, even to inspire them to do things your way. You are tactful and sensitive, yet also driven and motivated. You find better ways to handle challenging situations.

Later this month, you gain respect and recognition and will find yourself taking on a leadership role. Your authority is impressive because you balance force and strength with diplomacy and tact. Romance is favorable and, if you are single, you may meet someone through work or a business meeting who will touch your heart.

Your Personal Month's Compatibility for March, 2019 is 8 and 2

Jennifer and John, this is considered a difficult combination of cycles because your priorities are not aligned. For John, the relationship and matters of the heart take precedence and heighten sensitivity and emotions. This could leave him more vulnerable to criticism or perceived neglect during this period.

For you Jennifer, focusing on the relationship will probably take second or third place for a while. Your focus will be on career, finances, friends, and family. You want to improve everything that surrounds and sustains the relationship, but in the process you may not pay as much attention to your partner. Also, you might feel John isn't carrying enough emotional weight when, in fact, his focus is simply directed elsewhere.

This cycle combination offers many openings for misunderstanding and disagreement. It is likely that you will experience a few rough spots, but it should also bring positive aspects. You have the potential to make improvements in areas outside of the relationship (which will ultimately support it), and John can help the two of you stay connected and deepen your bond.

Jennifer, your Personal Month for April-2020 is 9

April brings a certain amount of completion in both your personal life and career. It is time to let go and prepare for new adventures. It is necessary to keep a close eye on the details, particularly those related to your finances. Check your bank balance regularly and make sure you save the receipts for deposits and other transactions. There are indications of upcoming changes in your work environment; you are in the unique position to move to the spotlight. Self-promotion is favorable. You are a little more emotional and vulnerable and may tend to make mountains out of molehills, however.

Someone you care about is leaving, being transferred, or going on a long trip.

Social events make this a hectic month and a certain amount of moderation and discipline is needed.

John, your Personal Month for April-2020 is 3

The events of this month inspire creativity and optimism, as well as a need for flexibility and adaptability. Sometimes, the early part of an 8 Personal Year brings financial challenges and problems. If this is the case, April is the most challenging time of the year. It is a testing time that forces you to confront your lifestyle and your priorities. With the right adjustments, you can put yourself on sounder financial ground. The month also encourages a certain detachment from trying to control financial matters too much. Once you stop controlling matters too much, your spiritual understanding of life really pays off in a practical and applicable way.

Last year's opportunities to contemplate and search for insight -- which may have seemed unproductive at times -- now prove to be your best defense on the battle ground of material progress. You are being forced to achieve a balance between the spiritual and the material, especially this month. In any case, April will reveal to you how capable you are of doing that. Be generous but don't waste money. Focus on getting things done, but don't let financial reward be your only motivation. Introduce creativity and a playful attitude to the job at hand. And most important; don't let temporary setbacks ruin your ambition. This is a time to reach out, not to suppress.

Romance and relationships continue to be favorable. Social events bring new people. Your self-expression and sense of humor improve, and it is easy to make new friends during this time.

Your Personal Month's Compatibility for April, 2019 is 9 and 3

Jennifer and John, this combination of cycles is quite compatible and often gives birth to new ideas and plans. It should be a time of enhanced creativity for both of you, delivering opportunities for change and improvement.

You, however, could also face a challenging period of powerful emotions that requires a stable environment and support from your partner. Fortunately, John's cycle is upbeat and optimistic, which can be a much-needed source of comfort for you.

Because you will experience differences in your approaches and attitudes, it is important to respect each other's needs during this cycle. John can help by exercising patience if you are not as grounded as usual. You are likely to be experiencing a time of choices and decisions on a deep (even subconscious) level, so little may seem clear or simple to you.

John, on the other hand, should have an upbeat, happy-go-lucky approach to life during this cycle, and an easier, less emotional time. There will be ups and downs, but his challenge is more about maintaining direction and focus. Although this may not seem like an ideal time to make big changes that could affect your relationship, the process of making plans together could help you feel more secure.

During this period, much will depend on John's ability to be a source of strength and comfort for you. Your 9 cycle is considered the most challenging, while John's is usually one of the easiest and most pleasurable. This is a fortunate combination for the relationship where John can share his upbeat energy with you during your more challenging cycle.

Jennifer, your Personal Month for May-2020 is 1

May brings a sense of freshness or a new beginning in your personal life and career. You are more energetic and decisive than last month; this will help you cope with the hectic pace this month brings. This is a time of opportunity and the need to adapt quickly. You have been selected to play an important role in some new endeavor. This is an opportunity to move your career forward but it requires courage and the willingness to sacrifice some short-term goals. Financially, this is a dangerous time because of the tendency to splurge.

If you are single, you may well be introduced to someone very interesting and attractive. If married, romance is rekindled. Still, new romantic relationships started under this number combination tend to burn out quickly. The attraction is physical and immediate but may falter as soon as it is put to the test. Even if you are already committed you may well find yourself eye to eye with someone very attractive, in which case you may have to show considerable restraint in order to avoid a situation you may later regret.

John, your Personal Month for May-2020 is 4

May is a time of hard work, progress, and opportunity. As with most of this year, the focus in May is on career and finances. There may well be a great opportunity that comes your way. This opportunity offers all kinds of changes, such as a move of residence (either in June, or in or around November), a change of employer, or a promotion.

The early part of May can be frustrating due to the need to involve yourself with routine affairs and details. You have some catching up to do. You may feel restless and bored. However, later this month brings the opportunity you have been waiting for. You are more organized and manage your time well. You are dependable and anxious to take care of some long-postponed chores. You may decide to start a remodeling project on your house. Your relationships are more harmonious.

If you are involved in a long-term love relationship, you will find that comfort and security replace some old doubts.

Your Personal Month's Compatibility for May, 2019 is 1 and 4

Jennifer and John, as a rule, when the 1 and 4 combination is found in this part of the chart, it is usually not very compatible. Although both cycles represent a strong drive and the need to put forth effort, they express it quite differently.

Jennifer, you are motivated in large part by enthusiasm, dreams, hope, and a can-do attitude. This is a time of opportunity for you. Take advantage of this period to focus on your goals.

John's drive is born more from frustration and the need to break free from a shell that has felt restrictive for some time. (This frustration could increase before things change.) His challenge will be to keep from directing it toward you and other loved ones. The 4 cycle is rarely an easy one, but it invariably brings progress and a breakthrough of some kind. You should both try to keep that in mind as John moves through this demanding period.

The two of you are experiencing very different cycle challenges. Jennifer, you will have to be sensitive to your partner's need to stay focused on his tasks, and John will have to recognize your need to move boldly ahead.

Jennifer, your Personal Month for June-2020 is 2

The 2 and 5 combination enhance your insight into the motivations and emotions of others. You play the role of counselor several times this month. Your intuitive powers are also enhanced, but this does not extend to money matters. It's not a good time to take financial risks. There are changes taking place in many areas of your life this year, and the general instability is felt strongly this month.

Study and reading are more favorable, especially when related to your career. The focus is on relationships at work and at home. You need to trust others enough to open up your heart and reveal your deeper feelings. This is a good time to release some bottled-up feelings.

Romance also plays an important role this month, particularly if you are involved in a relationship that originated fairly recent. Your enhanced sensitivity and intuition helps you to see the deeper meanings and values, which make the relationship stronger or. . . cause a permanent break. A critical issue here, is your ability to express your true feelings. Communicate!

An unexpected invitation to visit a friend or relative in some distant town may inspire you to pack your bags and go. This will turn out to be beneficial.

John, your Personal Month for June-2020 is 5

June brings changes and unexpected events. There isn't much use in planning too much this month, because much will happen unexpectedly. This is a hectic and dynamic month. Go with the flow; be flexible; and trust your instinct. If you are able to adapt to the unpredictable events of this month, your experience will be exciting and adventurous, and quite possibly profitable. However, if you insist stubbornly to stick to your plans and expectations, you will be disappointed.

You are in a position to show your special talents and abilities to people who can be influential in your career. You are able to think on your feet and your reflexes are sharp. This time is particularly good for those who are in retail, real estate, or some other business that's based on sales and closing deals. Financial gains are often considerable.

Travel is possible and favorable. This is also a good time to move or change your environment in some way. Romance is very exciting and, if you are single, you will have to hide out to keep from meeting someone. People gravitate to you and are more than usually attracted to you.

Your Personal Month's Compatibility for June, 2019 is 2 and 5

Jennifer and John, the 2 and the 5 get along well in many ways. They happily play together, love together, and enjoy each other's company - if everything is in harmony. However, the moment they hit a bump in the

road, things can become problematic.

The trick is to avoid disagreements as much as possible. Although it is not usually recommended, this may be one of those times it is best to keep things somewhat superficial and not dig too deep.

For you Jennifer, the enhanced emotional vulnerability typical of a 2 cycle could open the door to negative feelings that are out of proportion with what is really going on. A minor criticism could become a major source of discontent during this period. At the same time, John may not be as sensitive and aware as usual which could lead to impulsive comments that hurt your feelings. His mind will be particularly active and less likely to show restraint.

You should both be careful not to take one another's remarks too seriously (especially those spoken in the heat of the moment). It is likely that neither of you will be at your best when expressing yourself during this cycle. John may be too impulsive, and you too emotional. It will help if you keep this in mind and allow each other a little leeway, especially with sensitive issues.

Jennifer, your Personal Month for July-2020 is 3

Money matters come to the foreground; debts are called in and close attention should be paid to your bank account.

Your ability to influence the ideas and opinions of others works in your favor and may create a new source of income. This is also a good time to promote yourself. If you have considered upgrading your resume or trying out for that new position you have been considering, now is the time to do it. A career change is also possible as a result of outside forces. You are more creative.

You feel somewhat restless and impulsive and are willing to take risks for the sole reason that you need a change. There is a tendency to be somewhat scattered and even a little irresponsible during this cycle.

Your domestic environment also becomes a source of restlessness and you may have to guard against irrational behavior from your side. At the same time, you reach out to old friends and relatives you have not been in touch with for some time.

Your emotional state is a little turbulent causing you to be moody. Try to maintain equilibrium. This is a month to be somewhat detached from the events and circumstances surrounding your life. Don't take yourself too seriously, and, if possible, take some time off for a vacation. It's a good time to recharge your batteries.

John, your Personal Month for July-2020 is 6

July is an excellent time for business and financial affairs, John. Respect and recognition for past efforts is followed by financial gain or promotion. You are in a position to ask and receive what you believe to be your due. However, you may find that you are not as diplomatic as you might be. This is your most challenging weakness during this month. Guard against arrogance. Your responsibilities increase possibly as a result of a promotion.

Family affairs, friendships, and romance also move to the foreground and are rewarding and healing. You will be asked to sacrifice some of your time and energy to a younger person or someone who is old or sick. You feel closer to the people around you and you want to be there for them. Somewhat contradicting to this show of warmth and affection is the lack of tact and sensitivity you may display a number of times during this month. John, you may be too intent on forcing people to see life as you do, rather than allowing them their own perspectives and their own rates of growth.

The later part of this month brings changes that arise from a chance meeting at a social event. This change may be based on a romantic encounter and may affect your living situation.

An unexpected travel is also a possibility.

Your Personal Month's Compatibility for July, 2019 is 3 and 6

Jennifer and John, this is a time of strong emotions for both of you. Although inspired by different motives, your numbers suggest you will appreciate each other even more than usual.

Jennifer, this is partly the result of the 3 lending a deeper appreciation of your family, friends, and social life. For John, the driving force is simply the heart. Both of you should feel your priorities shift somewhat toward the joy of living and away from the daily grind.

A potential concern during this cycle could lie in John's need for more attention than usual at a time when you are focused on your social life, requiring less attention from him.

Jennifer, your Personal Month for August-2020 is 4

Your career may be demanding and a bit frustrating this month. You need to attend to routine matters, some of which may be boring. This is not a time to slack. Don't procrastinate. Commit to your responsibilities and see projects through to completion.

This August could bring a welcome opportunity on the job front, but your success will depend upon your willingness to stand up for yourself, to take charge of circumstances, and refuse to be victimized by outside events. You need the courage to stand up for your beliefs, to "do the right thing. "

Make important changes in your life. Such as start a diet and/or exercise regimen, quit smoking, dedicate

yourself to a good cause, and reconnect to your higher spiritual values. This is the month to make fundamental and positive long-term changes in your life.

It's important to demonstrate to those around you that you are dependable and can be relied upon. This affects both your work and love life. You will impress all of those around you with your sense of duty and trustworthiness.

John, your Personal Month for August-2020 is 7

The emphasis changes from outgoing to inward seeking. You are more serious now and self-reflective. You question the wisdom of some of your decisions and choices made during the past ten to twelve months. You keep to yourself and are generally less social.

You are engrossed in your work and feel a need to do a better job. Your desire for perfectionism is strongly enhanced, which results in self-criticism and impatience with others. At the root of this change in attitude is a spiritual need for clarity and understanding. You want more security, both internally, as well as in your worldier roles. You would do well spending some time alone for contemplation and meditation. In this respect, August stands out during this otherwise "material" year.

Family and friends take a backseat during this period. There are strong feelings connected to your relationships with your loved ones, but these are experienced and expressed more subtly.

Romance becomes more serious. You share mental, spiritual, and emotional experiences on the deepest level. There is no room for superficial exchanges. Your relationship with the person you are attracted to intensifies and becomes stronger as a result.

Your Personal Month's Compatibility for August, 2019 is 4 and 7

Jennifer and John, this combination has the potential to create distance between you. This is not because you suddenly have less interest in each other, but because your cycles produce interests and concerns that lead you in different directions.

For you Jennifer, it is a time to deal with mundane, practical matters (which you could find boring and frustrating). The 7 in John's cycle is focused inward – a period for quiet contemplation, daydreaming, doubts, questions, and learning more about who he is. It's not difficult to see how the differing needs inherent in your cycles might create some distance.

Sharing your feelings and giving each other room to pursue individual interests can help alleviate stress in your relationship, and help you take advantage of the progress this cycle has to offer.

Jennifer, your Personal Month for September-2020 is 5

The hectic pace of last month continues. However, the nature of activities is quite different. You are challenged to keep up with events and influences that, at times, appear out of your control. If you can be flexible and adaptable, you will cruise through this month comfortably and successfully. Let old plans, expectations, and concepts go. Otherwise, stress may take a physical toll. If you are willing to take the changes in stride and "go with the flow", you will find yourself in a better position in career as well as personal life by the end of this month.

This is an adventurous, dynamic, and progressive time, with less focus on details and routine stuff. Social events and romantic adventures highlight the month. The word "adventure" is the operative word: few romances that begin during this time have the emotional depth and substance needed to survive the test of time. However, any relationship begun now still has much to teach you about life and love, so be open to all the possibilities. Be warned, however, you may have a tendency for over-indulging your senses this month. Moderation is wisdom.

Your health may cause you some concern. In most cases, this is the body reacting to changes that have taken place during the course of this year and are only temporary. If problems persist, seek the advice of health counselor or physician.

John, your Personal Month for September-2020 is 8

September a month with great potential for your career and finances, especially to increase your finances for the long-term. It is a time to be aggressive and outspoken. Your authority is needed, and you will have to apply yourself one hundred percent. However, there is another side to this month. You may feel that you have reached the pinnacle of your career, or that work and other areas of your life have become dull and monotonous. You may feel you need a break. You are approaching a time of deep inner change.

Several times during your life you have reached a point at which you need to break out of a cocoon. All evolution is gradual, but periodically interrupted by sudden bursts of growth, or change.

You are at a stage in your life when you feel ready for such a change. However, you are not clear about the true nature of this change and, while you may feel inspired to force some practical changes now, you should approach this with care. Avoid impulsive decisions as well as any contractual arrangement that would tie you down for a long time. You need to rely on your own strength and feel confident that you have a certain amount of control over your own future. You should relax and let things develop at their own pace. Social events are highly favorable and there will be ample opportunity for that.

Your Personal Month's Compatibility for September, 2019 is 5 and 8

When it rains, it pours. This is a cycle where neither of you will find it easy to keep up with the other. Jennifer, you will have a lot going on, juggling more balls than usual, while John's vision and ambition should keep him focused on plans and opportunities.

With very different energies influencing you during this period, there won't be much room to sit and simply enjoy each other's company. No worries, you should have plenty of time for that during your next cycle when you both shift your focus toward family, friends, and each other.

Jennifer, your cycle is likely to bring changes, but it will take time (probably several cycles) before you are able to clearly see their full effect. Your energy will probably feel like atoms bouncing everywhere as you explore and establish boundaries. John's cycle will be more highly focused. It has the potential to put his next goal sharply in focus, centered on a single point.

The most common mistake for couples in this combination is trying to force their perspective on their partner, which could cause frustration and a limiting of this cycle's potential. This is a time when you need to allow one another the freedom to pursue individual objectives, without having to explain too much or account for your actions.

Jennifer, your Personal Month for October-2020 is 6

October brings stability to the dynamic changes the year has presented. Expect increased responsibility, recognition, and perhaps a raise or promotion. This month shifts the focus to relationships with family and friends. You share greater closeness with loved ones and may find yourself giving and receiving comfort and advice. Loyalty and trust are fundamental to your wellbeing this month. If you are unwilling to trust or abuse the trust of someone else, you could experience the break-up of a relationship. Share your feelings.

If you are single, a new and lasting romance is possible. If you already have a relationship, this is the time to commit. All affairs of the heart are positively highlighted. Health problems will also take a turn for the better.

John, your Personal Month for October-2020 is 9

October marks the beginning of the end of a certain era in your life. Now you begin to let go of certain expectations you have long held. There is a feeling of emptiness and of "what now?" The time has not yet come to respond to these feelings in a practical way. Now is the time to begin to become comfortable with the need to change. The changes contemplated involve both personal and professional life.

For these reasons, October could become an emotional time. Some melodrama and role playing are actually a subconscious way for you to test the people around you, and the depth of their commitment. You are also

testing your own position towards people, career, environment, spiritual beliefs, and other aspects of your life. You have, even if you are not aware of it, already begun the process of selecting what you want to remain in your life and what you want to discard.

This process, which continues through different stages over the next 2 years, is natural and nothing to be afraid of. You are entering a period of reawakening. This means a letting go of some of the comfort and security that surrounded and protected you for many years.

Start giving some of your energy to a good cause that benefits others. Ultimately, it will benefit you. It takes the spotlight of your doubts and questions and gives you strength and confidence.

For October, practical matters can be handled with ease. It is much better to pay off debts than to incur new ones. Completion is favored over new starts. It is a time to tie up loose ends, not so much to begin new projects. It is a time to clean up and prepare for new things coming into your life.

You are not in the right mood to pay much attention to romance or personal relationships of any kind, unless it's to test the strength of the relationship. You may be a little judgmental and self-righteous and will need to guard yourself against this sort of thing.

Your Personal Month's Compatibility for October, 2019 is 6 and 9

Jennifer and John, although this may be an emotional period for John, it is considered a very compatible cycle combination.

Jennifer, your 6 should help you feel especially devoted and committed to the relationship during this period, which is exactly what your partner needs. He could feel a little worn out and rudderless or have concerns that expectations have not been met. Mood swings and doubt can play havoc during a 9 cycle (less in a monthly cycle, more in a yearly) because it is the end of a cycle where loose ends need to be tied up.

You, on the other hand, should feel stable and be able to offer comfort and support. Your 6 inspires love, nurturing, and concern for others. This is also a favorable time for you to focus on practical matters, especially those relating to home, family, and career.

Much will depend on your ability to offer encouragement and reassurance; but John offers important insight as well, bringing moments of clarity and an enhanced perspective to your mutual goals and expectations. He brings inspiration born of an urgency to figure out what is happening and where to go next. Like adrenaline for the soul, moments of apprehension or fear can actually help him see more clearly.

Love, commitment, and sacrifice are the main ingredients in both of your cycles. However, because your 6 lends an especially warm, personal connection, you should be able to help lessen the emotional tenderness that is likely to accompany John's transitional cycle.

Jennifer, your Personal Month for November-2020 is 7

November, with the 7 playing such a major role, directs the focus to your inner self. Some people experience this month as lonely, but it doesn't have to be. You will be inspired to refine your understanding of your place in the universe. Spend time considering what you are going to do with the rest of your life. Search your soul, define your priorities, and plan your future. Study and read and think. You are observant and insightful.

Put romance, career, and financial matters on the back burner this month. There will be plenty of time for that later. If you direct all your effort toward honest self-confrontation, your future progress will be insured.

John, your Personal Month for November-2020 is 1

The month of November brings confidence, independence, and individuality. Now, you are driven to take up new challenges, tackle new projects, and get a firm grip on your life. You have energy to spare and you use this to inspire and motivate others. You feel that there is nothing you can't deal with. You are ambitious and result-oriented. You receive an opportunity that will have long-ranging effects on your life. You are confident, but also a bit stubborn and hardheaded. You are direct and not as sensitive to other people's feelings as usual.

This is a good time for business and finances. It is a time to be decisive and adventurous, not a time to be conservative. Courage and originality are key ingredients needed to take full advantage of this cycle. You are more stable and outgoing in your personal life, much to the delight of friends and relatives. You are also generous and inspiring, but not in the mood to deal with the petty stuff. You are a little impatient.

Romance may prove to be the most challenging aspect of this period. The chances of meeting someone is good, but your approach may be too aggressive and lacking in sensitivity. If you are married, or otherwise committed, a small warning: not everyone is on the high curve of his/her cycle, so be patient.

Your Personal Month's Compatibility for November, 2019 is 7 and 1

Jennifer and John, the challenge for a relationship between these cycles is to maintain a feeling of belonging. There are big differences between the way the 1 and the 7 affect an individual, but one thing they have in common is that both cycles increase the awareness of independence and individuality. During this period, you are both likely to feel a little distance in your relationship, which is not necessarily negative - in fact it may actually strengthen your partnership.

However, if your expectation is that you will spend a great deal of time together, share everything, and that nothing will change, your experience may fall short. The wise thing to do is to accept the fact that you will probably move apart somewhat during this period as a temporary and necessary part of your personal growth.

John's 1 tells us he will be focused on his career or other goals, busily taking advantage of opportunities for progress. Your attention will be focused inward toward spiritual and mental growth. This is a period of self-discovery and your need to spend time alone is part of that process.

Although different in nature, you both have individual needs that require focusing more on yourselves and less on your partner. This may make you feel as if the relationship is weakening. However, unless you turn it into an issue this should not be the case. If you accept the fact that your partner's attention is focused elsewhere, you will find that this period offers growth for both of you as individuals, but not at the cost of the relationship.

Jennifer, your Personal Month for December-2020 is 8

December will be rewarding in many areas of life. This is a good time for business and money matters. But don't indulge in spending money to impress others or flaunt your success.

The 8 Personal Month brings balance in all material matters. Expect some recognition in your working environment, perhaps a bonus or promotion. This is an excellent time to promote some of your ideas or any other input you have in relation to your career.

Romance is favorable too. Express your love.

John, your Personal Month for December-2020 is 2

December shifts the focus to relationships and all affairs of the heart. Co-workers are demanding, not only in work-related matters, but also in personal areas. You may catch some flack or become involved in conflicts that don't appear to have anything to do with you. All your tact and diplomacy are needed to maintain harmony in the work place.

However, you are better equipped to deal with sensitive affairs than usual and you manage to diffuse most of these potentially explosive affairs.

Pretty much the same experiences await you regarding relationships with relatives and friends, but here too, you are able to keep the peace.

Your intuition and sensitivity are your strongest assets during this month.

There is, however, also a need to stand up for yourself. Someone is about to claim credit which rightly belongs to you. Again, diplomacy and tact are required to solve this problem. This is also a good month for negotiation and financial affairs, particularly concerning loans and mortgages.

Romance can be powerful but may cause problems when money is involved.

Your Personal Month's Compatibility for December, 2019 is 8 and 2

Jennifer and John, this is considered a difficult combination of cycles because your priorities are not aligned. For John, the relationship and matters of the heart take precedence and heighten sensitivity and emotions. This could leave him more vulnerable to criticism or perceived neglect during this period.

For you Jennifer, focusing on the relationship will probably take second or third place for a while. Your focus will be on career, finances, friends, and family. You want to improve everything that surrounds and sustains the relationship, but in the process you may not pay as much attention to your partner. Also, you might feel John isn't carrying enough emotional weight when, in fact, his focus is simply directed elsewhere.

This cycle combination offers many openings for misunderstanding and disagreement. It is likely that you will experience a few rough spots, but it should also bring positive aspects. You have the potential to make improvements in areas outside of the relationship (which will ultimately support it), and John can help the two of you stay connected and deepen your bond.

Jennifer, your Personal Month for January-2021 is 7

January brings stability and clarity. Your career shows promise, but there is not any promotion or practical gain just yet. If you are involved in legal affairs or have wanted to take care of something that involves the law, this month is a good time to start the necessary procedures. You may be notified of an impending legal procedure that affects you or a loved one.

Study or read and enjoy the much needed quiet after last year's hectic pace. Domestic affairs play a major role during this year and begin now. However, you will be feeling more intellectual than emotional during this month. Tolerance and forgiveness will not come naturally, and you could be a little self-righteous. Try to be more flexible.

John, your Personal Month for January-2021 is 1

January brings progress as well as some turmoil. Your career offers opportunities that should be taken advantage of, but you may also be wondering if you want to continue on the path you have chosen. A change of course may be taking shape. You may want to focus more on the ideas you had at the beginning of your professional life. Even if you do not have a career, a return to the idealistic views you had at an earlier time cannot be avoided now.

A similar desire for purity and idealism influences your relationships with friends and relatives. You find

yourself confronting some of the people close to you. You may decide that some of your relationships are no longer desirable.

You experience emotional ups and downs, caused by a need for confirmation of your love on one hand, and a tendency to be critical and judgmental on the other. You are aggressive and emotional at times. This combination may shake the foundations of many of your relationships. Undoubtedly, some of these foundations may crack, but others will prove to be strong and remain undamaged.

Financially, this is a time to be extremely careful.

Your Personal Month's Compatibility for January, 2019 is 7 and 1

Jennifer, your Personal Month for February-2021 is 8

down.

February may bring upheaval in family affairs or with friends. The 8 carries a powerful balancing energy and much of that will be directed to your relationships. The truth will come out and you will have the opportunity to heal relationships that have been damaged by misconceptions. Real relationships will become stronger but superficial ones will break

Rewards and recognition in your career will also come to you this month. Often, the 8 Personal Month/6 Personal Year brings considerable progress and financial gain.

Romance is also strongly represented. You meet an attractive person, but the challenge here is to approach the situation with sensitivity and awareness. If you come on strong, you will blow the opportunity. Focus on sensitivity and avoid the temptation to be rude at all costs.

John, your Personal Month for February-2021 is 2

February awakens you to many of the underlying factors that influence your career and personal life. You are highly intuitive; you experience strange and vivid dreams; and you gain insights that border on psychic premonitions. At the same time, you continue to be vulnerable in the emotional area. Any kind of criticism can devastate you. You should avoid confrontations. You are in a position where you can gain considerable understanding of the motivations and desires that influence you, as well as others.

This is an important and valuable time, because you are learning much about the true nature of human beings, including yourself. The challenge here is to see yourself and others in a spiritual light, with love and forgiveness.

Some people who go through this particular cycle experience bitterness and anger. For others, this cycle brings faith and gratitude. For everyone, the impressions are lasting.

Romance is powerful; you see and hear and feel more fully than usual, which brings an added intensity to the experience of love.
