INTRODUCTION

HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

You will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions, or redundant".

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you face in life. Your Life Path number is the single most important information available in your Personality Chart!

Johnny and Maria, your Life Path is 30/3

Johnny and Maria, you both have the same number in this part of the chart. The following text therefore applies to both of you.

You possess a great talent for creativity and self expression. Many writers, poets, actors and musicians are born under the 3 Life Path. You are witty, possess a gift for gab, and savor the limelight. Your talent for the expressive arts is so abundant that you may well have felt drawn to becoming an artist while still very young. Your artistic abilities can only be developed, however, through discipline and commitment to the true development of your talent. Commitment, concentration and hard work are the only means of bringing forth your talent. Thanks to your gift for self expression, you can be the life of the party, and the center of attention. However, you could easily squander your talent by becoming a social butterfly. Your creativity is the gift that can give you the comfort and luxury you desire, but not without continual focus and discipline. You are optimistic and possess the resilience to overcome many setbacks. You are socially active, popular, and inspire people with your sunny "happy go lucky" attitude. You can be generous to a fault. Many people born under the 3 Life Path have difficulty handling money because they can be disorganized and not particularly serious about their responsibilities. You are emotional and vulnerable. When hurt, you withdraw into a cloud of silence, eventually emerging from your reticence with jokes and laughter that cover up your true feelings. You can become moody and cynical when depressed. You can succumb to sarcastic remarks, which can be painful to those around you. When used positively, your talent for self expression can be a great inspiration force in the world, uplifting others, and bringing much success and happiness to you.

Your Life Path's compatibility is 3 and 3

Johnny and Maria, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is extremely important to the well-being of your relationship.

Johnny and Maria, you both have the creative, happy-go-lucky three in this part of the

chart, which indicates lively communications. You inspire and motivate each other in a life-enforcing environment. You joke easily, and, most importantly, you laugh a lot at each other's jokes. You know how to please each other, so you are able to enjoy each other's company while moving around in a very active, dynamic social life. On the surface, there is little negative to say about this combination.

However, a little deeper look reveals that, unless you consciously work on it, this same happy-go-lucky environment you share can turn against you and become the root of some persistent problems. You both have a tendency to skim over the rough spots, emotionally and spiritually. This aspect of the chart reflects a strong preference to looking towards the sun without ever considering the shadows you throw behind you. Remember, though, that the sun does not shine throughout the year. No matter one's preferences, springs, summers, autumns and winters will certainly come -- much to our advantage, each with its respective charm and beauty. All one has to do is to be prepared.

Other much more serious numbers also play in your chart. Therefore, keep in mind that the influence of the three is relative - - and should be understood as such. For a love relationship to have any chance of long-term happiness, you sometimes have to face the emotional turmoil that is, inevitably, part of everyone's life. So, you should watch for subtle signs indicating that something might be bothering your partner because, although you are both excellent communicators, you don't use that same talent to express your deeper, private, feelings. Always be attentive and, once you detect something, let's say, different or strange - even if your partner insists on putting on that happy-go-lucky attitude - see that you two have a deeper, open and frank talk to clear the air.

Another result of this combination, Johnny and Maria, is that sometimes fun and joy become too high a priority, overshadowing such important issues as responsibility and duty. The number three is scattered, unfocused and impulsive, all necessary traits for anyone involved in creative endeavors. It allows for daydreaming, it provides the perfect environment for the mind to wander around in search of new territories, and that is what makes one creative. But, if they don't come in the proper doses, those same traits can work against us. So, make sure you don't lose sight of the need for effort and discipline to maintain a foundation of material security that will allow you to experience the fun and joy so necessary to the happiness of both of you.

As you may recognize, the fact that both of you have a three in this aspect of the chart does not mean that you have incompatible personalities. The danger lies in the fact that the less desirable side effects of the three may become enhanced if you don't guard against them.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveal your development, as well as the talents and issues you will be working with

during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Johnny, your Expression is 18/9

You are the humanitarian. You are attracted to a cause or a movement whose purpose is to make a better world. You are extremely idealistic, sometimes to the point of being naive about people or methods. You have great compassion and seek to create a more humane society. You are drawn to those who suffer physically or are at the hand of injustice. You are the righter of wrongs. Your deepest intention is to transform the world.

You are willing to sacrifice in order to advance your cause. Indeed, this seems to be a theme in your life. From time to time, you find yourself involved in a project whose very life depends upon your willingness to sacrifice something that relates directly to your ego.

You are highly idealistic. You are also a visionary, with the ability to influence and direct the masses. Deep inside, you long for the love and approval of the many, and seek fame.

Part of your hunger for fame has to do with your need for validation; you are your own harshest critic.

You realize your greatest satisfaction when you are involved in some activity that directly benefits the public good. Politics, law, protection of the environment, teaching, and healing are areas in which you would succeed.

You have a broad view of humanity and are not shackled with prejudice. You should have friends and associates from all walks of life, all colors and religious backgrounds. People fascinate and enrich you. A wide diversity of people and experiences stimulate and bring forth qualities within you that would otherwise lay dormant.

You have an abundance of artistic talent. Many with your Expression number find themselves in the arts, especially in literature, painting, and the visual and performing arts.

The number 9 indicates the completion of a cycle or a block of learning. The 9 Expression suggests that you have reached the point where a breakthrough can occur; during this lifetime you can apply all that you have learned along your evolutionary path and complete a major stage in your development. This is why we find many geniuses with the 9 Expression.

You have the ability to synthesize many diverse bits of knowledge into a unified whole.

Your appearance is important. You are keenly aware of how others perceive you. As a result, others see you as a person with a great deal of control. Conversely, you are charismatic. Despite the cool and distant personality you project, people are attracted to you.

You tend to express your love somewhat impersonally. You tend to be preoccupied with your vision or cause, and sometimes overlook the needs of those closest to you. You need to be reminded to give your love more personally and more openly. Ironically, you are a very loving and sincere person, but often neglect to express what you truly feel.

In the same way, you can overlook your own needs. You can avoid sharing of your deeper feelings, creating a reservoir of emotion. You tend to postpone your personal satisfaction in favor of some larger work. Try to be more spontaneous and courageous about showing your real self, including your vulnerability.

Your basic belief in the goodness of humanity is unshakable. This causes you to encourage the best in people, but occasionally makes you vulnerable to being taken advantage of. You are not a very good judge of character.

The surest way to personal satisfaction is for you to become part of some larger social cause. Your nature is to serve. You are happiest when you feel you are helping to advance the human race.

Maria, your Expression is 15/6

You are a loving and caring individual with a tendency to put the needs of others before those of yourself. You are responsible and trustworthy with a high regard for justice and honesty. Duty will follow you all your life and sometimes feel a little too much of a burden.

You are artistic. Harmony and beauty are high on your list of priorities. You have musical talent but the creative talents of a 6 are sometimes left undeveloped or suppressed as a result of your tendency to sacrifice your time and pleasure to the service of others. You are highly creative in all areas of life, particularly the visual. You are also a talented business person and can work methodically toward the realization of your goals.

You have a natural gift with flowers, gardens, and animals. Your love of children has caused numerologists to dub you the "Cosmic Mother or Cosmic Father". The very shape of the 6 resembles and symbolizes "Pregnant with Love".

You are a natural counselor and healer. But you must be careful not to interfere with the freedom of others. You are recognized as an idealist, mainly regarding marriage, friendships and humanity.

The 6 is the most balanced of all numbers, but also contains within itself the greatest paradoxes. It is as if opposite tendencies were tenuously poised. Because of its gift for harmonizing these opposites, you are uniquely qualified to handle and integrate contradictions within yourself. It is for this reason that 6s so frequently find themselves in the role of healers or counselors, creating a peace between opposing points of view, or internal conflicts within the self.

While you can be very idealistic, there may also be a temptation to acquire beautiful objects by improper means. You must also guard against other meddlesome behavior and domestic tyranny, or always having to have your own way in a family dispute.

Conversely, you have it within yourself to understand another person's dilemma and come up with a creative solution. Your natural ability to give comfort and warmth can smooth over hurt feelings like a healing balm. You attract love and appreciation. And rightly so, because you give the same in return.

You make an outstanding teacher (especially young children or special education), healer, counselor social worker, psychologist, artist, designer, gardener, florist, and

farmer. You can be successful in business, especially those that involve dealing with people.

Your Expression's compatibility is 9 and 6

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects “the path you walk on,” and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Maria and Johnny, all numbers dividable by three have several things in common. First and foremost, all these numbers respond to the physical, emotional and spiritual needs of others. In the case of a six, this is expressed mainly towards those in the immediate circle: family and friends. In the case of the nine, it is directed more towards people at large - pretty much all of mankind.

When a six and a nine are found between romantic partners in this part of the chart, compatibility is very good. Both of you, Maria and Johnny, are self-sacrificing, giving and caring people. Maria is more practical, Johnny more idealistic, but your motivations are similar.

Another aspect you have in common is your creativity and your eye for beauty, which, contrary to what might be expected, is pretty often a source of trouble for the six-and-nine combination. Maria and Johnny, sometimes you will see eye to eye when it comes to decorating, but often you won't. And since you are both opinionated in this matter, in order to prevent unnecessary arguments, what you should do is give and take a little, something you are both quite capable of doing.

Another talent or trait you share is a sense of justice. The six and the nine are both strongly affected by a sense of right and wrong that can be very powerful - sometimes to the extent that they get involved in politics or become activists. Unless you happen to be on opposite ends of the political spectrum, this trait can further strengthen your bond.

The six and the nine, Maria and Johnny, are highly compatible. However, there are some areas where you may find yourself clashing if certain negative traits are allowed to grow. Although this is not common, a warning might be in place.

The nine, Johnny, with its idealistic and self-sacrificing nature, can also be arrogant and self-righteous. Recognizing the relative value of one's concepts and ideas is not a strong point with the nine. Johnny, with your innate sense of justice, you may have recognized a tendency in yourself to put down those who don't see things the same way as you do. Especially when combined with strong religious dogmas, the nine can become a negative influence on others, sometimes ruining a relationship - even with the most devoted partner. If you have found yourself in that corner, Johnny, you would do well to realize that what we believe and what we think, is just that, a thought, a concept, the truth as we see it. Always keep in mind that our perspective, no matter how enlightened, is still limited. Knowing that, we will be able to be compassionate and tolerant towards others. The nine, as you have read in the previous chapters, is the least prejudiced of all numbers, but as with all human traits, its dark side tends to be the direct opposite of the light side. Although the most loving of all numbers, Maria's six has a dark side as well, and a dark side that can be nasty indeed. The six can become intolerant and angry, often without a clear cause. The irritation and anger seem just to sit there, inside, waiting for an opportunity to break out, without rhyme or reason.

Maria and Johnny, the negative sides of either the six or the nine are rarely displayed, but you will need to watch out for them in order to prevent them from spoiling what is most certainly one of the best number combinations around.

HEART'S DESIRE

Your Heart's Desire is based on the vowels in your name. It is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life.

The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Johnny, your Heart's Desire is 28/1

Your overpowering need is to be independent and to direct your own life according to what you believe. Your dream is to become the leader of whatever field you enter. Whether it is in business, community, or in your general area of expertise, you are driven to be the reigning figure.

You have the courage and the confidence to lead others. You believe firmly that your judgment is preeminent over all others. This gives you the confidence to make bold decisions and carry them out, even when other lives are greatly affected by what you do. You rarely look back once you have made a decision.

You possess intelligence and wit. You are keenly insightful and are good at evaluating the abilities of others.

You are supremely individualistic. In your manner and dress, you like to project your own unique persona.

Consequently, you don't mind being controversial, and can even enjoy the attention and impact you have made on your surroundings.

You dislike routines, or anything that limits your freedom and independence.

Whenever you commit to something you truly love, you are absolutely tenacious in your ability to endure difficulties and overcome obstacles. You are highly responsible; you hate passing the buck. You possess remarkable willpower and a strong drive to succeed.

You are always looking for innovative ways of doing things.

Because you seek to be the boss in any endeavor, you have a tendency to dominate others. If you are not careful, especially in dealing with your subordinates and family, you may become ruthless in your decisions and behavior. You can also fall victim to impatience and intolerance, particularly if you grow conceited or superior.

You are the pioneer and the ground-breaker. You love the foreground, the hot-seat of responsibility. You have all the talents to succeed. As long as you maintain balance in your life, allowing others full expression of their thoughts and abilities, you will easily rise to the top of your chosen field and realize your ambitions.

Maria, your Heart's Desire is 27/9

You want to be of service to the world. Your deepest satisfaction comes from knowing that you have advanced the cause of humanity.

Your ideals are of the highest order. You are a perfectionist. You strive to make the world a utopia; to make each person's lot in life better; to become perfect yourself. One of your challenges in life is to strive toward your lofty goals and at the same time recognize the good you are doing.

You like and are fascinated by people from all walks of life. Human nature is a lifelong study for you. You are highly intuitive, but not an especially good judge of character. You are a bit naive, as well, thinking perhaps that all people have the same values as you.

You dream of having the resources to immediately relieve the suffering of others, whether it is economic, physical, or psychological.

You are gifted with a good mind and a great deal of wisdom, which makes you a natural teacher, counselor, or healer.

As much as you desire to be of service to others, you also crave fame and the approval of the masses. Much of the energy you expend in life is directed toward putting yourself before an audience, most often as a salesperson whose product provides some social good; as a philanthropist; or an artist.

You are attracted to the arts as a vocation, especially as an actor, photographer, or writer. But whatever your profession, any involvement in the arts, even as a hobby, will provide you with a deep and lasting satisfaction.

Secretly, you dream of having a big impact on the world. Others may see this as egotism, especially when you are still young. But your concern for others is genuine. You must apply yourself in this direction in order to become psychologically whole and personally satisfied.

Your vision is on the crowds of people, which can cause you to overlook the needs of those closest to you. You need personal love as well, but have a tendency to put your needs in the background. Still, you are a loving person, and only need to be reminded to direct and demonstrate that love to those nearby. If, however, you are focused exclusively on the masses, people will perceive you as distant and a bit aloof.

You are emotional, and sensitive. You can also be moody and critical. You have high

expectations for yourself and others. This can cause you much anger when your expectations are unfulfilled. One of your most important life lessons is to forgive.

Because you are striving hard to attain high ideals, you may think of yourself as superior to others. Arrogance is a trap many 9s fall into. The danger is that arrogance cuts you off from the thing you love the most: people.

Your happiness and contentment are therefore highly dependant on the ease with which you are able to serve and influence mankind.

It is the paradox of your Heart's Desire that you receive by giving. Both your material success and spiritual satisfaction are made possible through service and sacrifice to others.

Your Heart's Desire's compatibility is 1 and 9

Compatibility of the Heart's Desire numbers is extremely important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

Due to the fact that both of you have a tendency towards arrogance as well as to being somewhat egocentric, this is a very difficult relationship, as far as romance is concerned. At least in this aspect of the chart. It will only work if a certain amount of distance is maintained. Each of you has to live your own life. Ironically, although difficult, this is not a bad combination for most other kinds of relationships. Friendships, parent-child as well as business relationships, often work very well with this combination. Precisely because the numbers stand on opposite ends of the spectrum. They complement and balance each other. Together, they represent a lot of talents and useful qualities that ensure a powerful combination in most relationships, except in romance.

It is in romance that these numbers tend to be challenging.

The solution lies in mutual understanding, not to get in your partner's way, not to expect your partner to always be there for you, and certainly not to expect your partner to live the kind of life you feel is right.

This combination has a much better chance of surviving if Johnny and Maria have the number two and/or six among their other core numbers.

The numbers one and nine are far apart and this is reflected in Johnny and Maria's understanding of each other. In many areas of life you are so different that you can't even relate to the other person's view. And, as with every romantic relationship, these shared views are required. We feel secure in the knowledge that our partner confirms what we feel and think. And, if the relationship between Johnny and Maria is of the romantic type, there will just not be much of that.

Very often, when a one and a nine engage in a romantic relationship, the people on the periphery think it is very funny to see them together. Together but yet so different, so unique. Neither Johnny nor Maria tends to conform easily to the rules and expectations of society. And that is one of the few characteristics you have in common. However, you probably dress very differently, have very different tastes, and consider different things important. Chances are that you are each other's polar opposite. And, while we say that opposites attract, the trouble is that they also tend to push each other away when they get too close.

There are no easy solutions or foolproof guidelines that work here. If you have been together for a while and your love is strong, this love will keep you together. If the relationship is fairly recent, your focus should be on your heart, your pure and unconditional love for your partner. And here is the most important advice to make this relationship last: Don't expect to change or influence your partner.

PERSONALITY

Your Personality number is derived from the consonants of your name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, life Path, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Johnny, your Personality is 17/8

You appear strong and powerful. You have an impressive personality and can influence and even intimidate through sheer force. You have natural authority. Your competence and enthusiasm attract people with resources.

You radiate confidence. People defer to you because they sense your sureness and effectiveness.

You also exude a kind of controlled benevolence. People sense that you are generous, once you are convinced of the worthiness of the cause.

It is important for you to dress well. You radiate a kind of raw power and ableness, which needs to be refined and enhanced by your clothing. You may even dress a bit flashy, but that will not harm you. Quality is among your highest priorities, and should reflect in your clothing.

Although most eights have a strong constitution, they can be prone to indigestion, ulcers, and heart disease due to their reckless eating and drinking habits and their propensity to be workaholics.

Your Achilles heel is your capacity for an egocentric attitude. The negative side of your personality can cause you to be ruthless, greedy, and intensely lonely.

Conversely, you can be spontaneous and excited. You are essentially warm and jovial. In your heart of hearts, you want everyone to be as excited and as happy as you. Those who are around you often sense this. Your coworkers and employees usually like you.

Maria, your Personality is 15/6

You radiate understanding and compassion. People sense your warmth and fairness. For this reason, you attract many people who are in need of comfort, including the disadvantaged. People tend to come to you to unload their burdens. You inspire confidence.

You have a fine sense of justice. You do everything in your power to keep the harmony and are even willing to sacrifice your personal desires for the good of others.

You can take this too far, however, sometimes playing the role of the martyr. You have to guard against being taken advantage of. You are not always a very good judge of character. You tend to see the best in others.

You also can become too involved in the lives of others, to your own detriment. (This aspect can be balanced by other numbers in your chart.)

You are hospitable and domestic. You love children and are a good parent. You are romantic, faithful and very protective.

You are artistic. You love music, flowers and gardening. You are a natural interior designer. You have an excellent sense of color and taste.

You are more concerned with the content of your personality than your appearance, which causes you to be less conscious of the style of your clothes. You are more interested in comfort and the utility of clothing than the statement it makes.

Six Personality Numbers are exceedingly generous. You are not particularly logical when it comes to finances.

You are very vulnerable to praise and criticism. You tend to worry a lot, causing stomach problems.

People see you as a maternal or paternal figure. They want to relax in your presence and unburden themselves. You are the safe port in the crowd.

Your Personality's compatibility is 8 and 6

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Maria and Johnny, the six and the eight are very compatible. You are both practical and goal-oriented people who are not afraid of responsibility. However, there are big differences in the way the six and the eight view responsibility, and even bigger differences in the way they pursue their respective goals.

Maria's sense of responsibility is strongly focused on family and friends. Maria will be hesitant to do anything that could endanger the comfort and lifestyle of those Maria is committed to. Johnny's sense of responsibility is committed to goals and dreams - their fulfillment is Johnny's priority. Where Maria will be very reluctant to take risks that might reflect on those Maria cares about, Johnny will not hesitate to take certain carefully calculated risks because Johnny feels that, if those goals are met, the lives of everyone around will improve. Maria is capable of working for a long time to reach a goal, but Maria is much more grounded, Maria will hesitate to step away from the beaten path. Johnny has a sense of business and is a visionary with a practical, can-do mentality. Interestingly, the six-and-eight combination is excellent for business partnerships. The six keeps a reign on the dreams and visions of the eight. In turn, the eight can inspire the six

to aim higher and take advantage of the opportunities lying ahead. Without an eight to inspire a six, the six will likely remain confined to small dreams requiring little or no risks. Without the grounded realism of the six, an eight often gets lost between the vision and the goal. In a romantic relationship, Maria and Johnny, the numbers found in this part of the chart similarly play off each other's strengths in ways that can be very good for the relationship.

Problems can arise when one partner tries to dominate the other, which has been known to happen between a six and an eight. Maria, your tendency to take on any burden, your willingness to sacrifice, and your need to feel secure in a relationship, can make you a victim to the somewhat authoritarian and demanding nature of Johnny's eight.

Sometimes, the opposite happens, and the inherent talent of Maria's six to make others feel guilty simply by showing how much Maria is willing to do for them can put a real damper on Johnny's potentially powerful and focused energy.

Maria and Johnny, this aspect of your charts is somewhat similar to reaching a fork in the road. You have a choice between enriching and enhancing each other's strengths and talents, or frustrating your partner's opportunities. The key to maintain a balanced relationship is not to try to dominate each other.

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead.

Johnny, your Personal Year for 2010 is 2

This is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined.

You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal.

You may experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans.

This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even life long relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Maria, your Personal Year for 2010 is 5

This is a year of dynamic change. Many surprises will come your way. Be open and ready to embrace new opportunities.

Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you.

There will be increased opportunity to travel and possibly a change of residence.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

You will have some unexpected adventures and lucky breaks this year.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

Your Personal Year for 2010's compatibility is 2 and 5

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

Johnny and Maria, the 2 and the 5 get along fine in many ways; they happily play together, love together, and enjoy each others company. At least as long as everything is in harmony. However, the moment they hit a bump in the road, the results can be disastrous.

Therefore, the trick is to avoid bumps in the road as much as possible. Strange as it sounds, this is a good time to stay on the surface, not dig too deep.

For Johnny, the enhanced emotional vulnerability typical of a 2 cycle opens the door to possible negative feelings that are out of proportion with what is really going on. A minor criticism can become a major source of discontent for Johnny. At the same time, Maria is not as aware as usual; more impulsive, and quicker to say something without much consideration for the feelings of others. Maria's mind is more active and less restrained. It is important for both of you to take each others remarks, especially those spoken in the heat of the moment, with a big dose of salt. Neither one of you is particularly good at expressing yourself accurately, or true to your real nature, during this time. Maria is too quick and impulsive, Johnny is too sensitive and emotional. It will help you to keep this in mind and allow each other some leeway during this time.

Johnny, your Personal Year for 2011 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events.

More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus.

It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure.

Control this years tendencies towards glamour and extravagance, yet allow your self more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

Love is in the air.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Maria, your Personal Year for 2011 is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges.

This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heart felt emotions and some sacrifice. It is a time for comforting and caring.

You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

These deep feelings bring renewal to relationships and often a birth in the family.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self-reflection and readjustments, and December brings a sense of completion and fulfillment.

Your Personal Year for 2011's compatibility is 3 and 6

Johnny and Maria, this is a time of strong feelings for both of you. Although inspired by different motives, you are drawn to each other and feel closer than usual. For Johnny, this is in part the result of seeing more clearly the importance of everything not related to career or finances: family, friends, social activities, and so forth. For Maria, the driving force right now is simply the heart. For both of you, the priorities shift somewhat towards the joy of living, towards things away from the daily grind.

A possible danger lies in the fact that Maria needs more attention than usual during this time, while Johnny requires less attention and would rather devote more time to people and activities outside the relationship.

PERSONAL MONTHS

Johnny, your Personal Month for January 2010 is 3

January is a 3 Personal Month in a 2 Personal Year. Hence, the month brings you optimism and energy. The drive and enthusiasm that emerged during the second half of last year is still with you, along with a certain caution born of inner change and the emotional ups and downs that arose during the previous 18 months.

You're aware of your need for support, cooperation, and advice. And this month, you find yourself establishing closer ties and better communication among those with whom you live and work.

You are also reflective and relaxed. Take time to play and laugh. Reach out to friends and loved ones. Communicate your ideas freely. You and your plans will be supported, which will heighten your optimism about the future.

Romance is an important part of this months' experiences, and the chances are good that you may meet someone special.

Maria, your Personal Month for January 2010 is 6

January is a 6 Personal Month in a 5 Personal Year. All during this month the focus is on your attitude towards friends, co-workers, and family members. You are in a position to improve relationships in all areas. You are warm-hearted and more outgoing than usual. Others are attracted to your optimistic disposition and several people close to you will come to you for advice and comfort.

The month may bring a turbulent new relationship into your life. The initial introduction may start off a little awkward, even cause some friction. You will need to be tolerant and understanding. Even if you feel sure that your point of view is correct, a hardheaded, stubborn approach is not beneficial.

On the contrary, the true purpose of this conflict is an opportunity for you to reach out and earn the appreciation and respect of this person by freely demonstrating your own.

Other, more practical changes are also in the picture. Many will make changes in their office, residence, or work routine.

You may get some strong signals that your career may receive a boost in the very near future, which only buoys your optimism.

If you are single, this is an excellent month to be social and meet new people.

Your Personal Month for January 2010's compatibility is 3 and 6

Relationship compatibility of Personal Month cycles can have a powerful effect. But keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

Johnny and Maria, this is a time of strong feelings for both of you. Although inspired by different motives, you are drawn to each other and feel closer than usual. For Johnny, this is in part the result of seeing more clearly the importance of everything not related to career or finances: family, friends, social activities, and so forth. For Maria, the driving force right now is simply the heart. For both of you, the priorities shift somewhat towards the joy of living, towards things away from the daily grind.

A possible danger lies in the fact that Maria needs more attention than usual during this time, while Johnny requires less attention and would rather devote more time to people and activities outside the relationship.

Johnny, your Personal Month for February 2010 is 4

February is a 4 Personal Month in a 2 Personal Year. You will realize early this month that progress depends upon your willingness to work diligently and remain focused on details.

You feel capable and confident, but as your effort increases -- and the hours pile up -- you may become frustrated with the slow response of others. Keep your nose to the grindstone, and if necessary put in overtime. Don't try to dodge the bullet; bite down on it and keep going.

Meanwhile, be willing to cooperate, listen to others, and tactfully communicate your convictions, as well as your doubts.

This is an excellent month to improve your financial position, particularly through better management. Through your consistent and patient effort, a raise or profitable business deal is also in the cards.

Relationships tend to be a little shaky for most of this month. You may be somewhat irritable and lack patience as a result of stress and emotional turmoil in your work-environment.

Maintaining a well-ordered environment and avoiding procrastination will help you bypass much emotional stress.

Maria, your Personal Month for February 2010 is 7

February is a 7 Personal Month in a 5 Personal Year and finds you more inwardly focused. Self-reflection and contemplation bring spiritual clarity and growth. At the same time, your career improves and you manage to impress important people. Doors that have been closed open and offer access to opportunities. Financially, this month may also show some progress but the emphasize is more on opportunities and your ability to take advantage of them.

Warnings are justified in two areas. Your dynamism and excitement may cause you to be somewhat insensitive at times. Also, you would rather plan and discuss future endeavors than to put forth the effort required to take full advantage of current opportunities.

Key-words to make this month a success are caution and discipline.

If you are married or otherwise committed, you may feel a little distant from your partner. This is temporary and does not require any special attention. If you are single, romance is not a high priority.

Minor health problems that have not been treated may come to the foreground. This is a good month to apply discipline to your eating habits and to step-up your exercise regimen.

Your Personal Month for February 2010's compatibility is 4 and 7

Johnny and Maria, partners often find themselves distancing from each other during the combination of cycles you are presently going through. You may find that this also applies to you. However, this is not a result of lessened interest in each other, but of the fact that your cycles are focused in different directions. For Johnny, this is a time of grounding and dealing with mundane and practical matters, often experienced as frustrating and boring. For Maria, this is a time of inner search, daydreaming, and quiet contemplation, a time of doubts and questions, and a time of learning about the self. So, it is not difficult to see how the influence of your cycles can create some distance and a lack

of communication.

Keep in mind that this is not per se a negative development, as long as you don't try too hard to force yourself into your partner's world.

Johnny, your Personal Month for March 2010 is 5

March is a 5 Personal Month in a 2 Personal Year. It brings some relief from last months' frustrating efforts to persuade others and to keep track of the details.

This month will be hectic with some unexpected changes. Don't try to plan everything down to its final detail. Instead, be flexible and adapt to whatever comes your way.

The expression "being in the flow", is instructive for most of this month and you will be astonished by coincidences in which timing is crucial. Don't make financially risky decisions, especially involving business. Checking and double-check all your facts before going forward with your plans. Be skeptical! However, your ability to promote yourself, your plans, or a product is enhanced.

There will be many social events and opportunities. Take advantage of them. The chances of meeting new people who can support you in your endeavors are especially good.

A letter or phone call from someone you haven't heard from in a long time may surprise you.

It's high noon for romance, but be warned. You may not be as discriminating and cautious as you should be. Allow your rational mind to take a critical look at flattering admirer(s).

Maria, your Personal Month for March 2010 is 8

March is an 8 Personal Month in a 5 Personal Year. It is a time to be careful in all financial matters. Issues involving money take center stage. More people go bankrupt or make a killing during this period than with almost any other number combination. Now, especially, you are required to balance the material and the spiritual. If you are considering a major purchase that involves long-range financing -- such as buying a house or a car -- but you question whether you can fulfill the obligation, you would do well to wait until the second half of May before acting.

The worlds of work and personal relationships require opposite approaches this month. A certain amount of aggression in career and business matters is favorable. Promote your ideas.

Put out effort. Work harder and longer than is required. On the other hand, your personal life requires patience and understanding -- both of others and yourself. You may want to clear the air between you and a loved one, but you have difficulty overcoming your fear of being misunderstood. Or perhaps you are not clear about what you feel. Try putting your thoughts on paper first to achieve a higher degree of clarity.

Your Personal Month for March 2010's compatibility is 5 and 8

When it rains, it pours, Johnny and Maria. This is a time when neither one of you will

find it easy to keep up with your partner. Johnny has a lot going on, juggling more balls than usual. Maria is experiencing strong ambitions and visions of what can be accomplished and how many opportunities there really are. With very different energies currently influencing you, Johnny and Maria, there is not much room to sit down and simply enjoy each other's company. That's okay, though, because you will get plenty of that in the next cycle, when you both shift your focus towards family, friends, and each other.

Johnny, your cycle brings a lot of change, but it will take time to sort it all out, and several other cycles will go by before you will be able to see clearly the lasting effect of these changes. Maria, your cycle may, in the end, put your next goal or goals sharply in focus. It could be said that Johnny's energy is like molecules bouncing all over the place, establishing boundaries and discovering space, while Maria's is more sharply focused on a particular point.

The most common mistake couples in this combination of cycles make is to try to make each other see the world through each other's eyes. The only result will be frustration and mutual limiting of potential if you go that route. This is a time when you have to allow each other to do exactly what each of you wants to do, without having to explain too much or to account for your actions.

Johnny, your Personal Month for April 2010 is 6

April is a 6 Personal Month in a 2 Personal Year. Matters of the heart come to the foreground.

Romance is now at the top of your list of opportunities.

On the other hand, the month brings instability to outdated relationships, and some may end. You become aware of the need to let go of certain people, although final good-byes may not occur until July or early August of this year.

Your family and friends need more attention and you will likely find yourself playing the roles of mediator, comforter, and counselor. You'll be the one to offer the proverbial shoulder to cry on this month. A younger person, particularly, needs your love and attention.

Your career is guided favorably by the Force. There is an increase in your workload and responsibilities due to a promotion -- or one that may be in the offing. The change may well bring financial rewards.

This is a good time for finances, particularly those related to real-estate.

Maria, your Personal Month for April 2010 is 9

April is a 9 Personal Month in a 5 Personal Year. It brings a certain amount of completion in both your personal life and career. It is time to let go and prepare for new adventures. It is necessary to keep a close eye on the details, particularly those related to your finances. Check your bank balance regularly and make sure you save the receipts for deposits and other transactions.

There are indications of up-coming changes in your work environment; you are in the unique position to move to the spotlight. Self-promotion is favorable. You are a little more emotional and vulnerable and may have a tendency to make mountains out of

molehills, however.

Someone you care about is leaving, being transferred, or going on a long trip.

Social events make this a hectic month and a certain amount of moderation and discipline is needed.

Your Personal Month for April 2010's compatibility is 6 and 9

Strange as it seems, this is considered a very compatible combination of cycles precisely because this is a difficult and emotional time for Maria.

Johnny is more devoted and committed to the relationship during this period and that is exactly what Maria needs; tender loving care and strong commitment.

Maria may well feel that the world is crumbling, or that expectations have not been met.

Mood swings and doubts can play havoc with a person's life during a nine period.

Johnny, on the other hand, is more stable and will be happy to be in a position to offer comfort and strength. Maria, you may find yourself relying heavily on Johnny, in particular on an emotional and spiritual level.

Much will depend on Johnny's ability to offer support and comfort, but an important and positive ingredient that Maria brings in are moments of clarity and enhanced perspective, born from an urgency to understand what is going on and where to go next. When it comes to examining the future, the goals and expectations you share, and what is needed to reach these goals, Maria can be a source of inspiration. After all, it is when we feel as if the rug is being pulled from under our feet that we realize what we need to do to survive. Like adrenaline for the soul, the moments of fear and anxiety Maria may experience, are also the moments we can see clearly what we need to do and how we need to do it.

Johnny, your Personal Month for May 2010 is 7

May is a 7 Personal Month in a 2 Personal Year. The combination leads to powerful self-discoveries and intuitive perceptions. It is a highly spiritual time, causing you to withdraw from the hustle and bustle of daily life. Your focus is inward. You find yourself contemplating the mystery of your own existence, your purpose in life, and your direction.

You find yourself taking time off to read, meditate. Your interests are spiritual, not worldly. It's an excellent time to take a vacation, as long as you avoid group-activities.

Social demands will make you irritable and out of sorts. Be with yourself or enjoy meaningful discussions with someone close to you. In this way, you may deepen your marriage or romantic relationship.

It is a time for wisdom and insights, even premonitions and revelations that have little to do with intellectual effort, but are the result of heightened awareness and a free-flowing channel between your sub-conscious and your conscious.

Be particularly alert to your dreams and the direction and insight they offer.

Maria, your Personal Month for May 2010 is 1

May is a 1 Personal Month in a 5 Personal Year. It brings a sense of freshness or a new beginning in your personal life and career. You are more energetic and decisive than last month; this will help you cope with the hectic pace this month brings. This is a time of opportunity and the need to adapt quickly. You have been selected to play an important role in some new endeavor. This is an opportunity to move your career forward but it requires courage and the willingness to sacrifice some short-term goals.

Financially, this is a dangerous time because of the tendency to splurge.

If you are single, you may well be introduced to someone very interesting and attractive. If married, romance is rekindled. Still, new romantic relationships started under this number combination tend to burn out quickly. The attraction is physical and immediate, but may falter as soon as it is put to the test. Even if you are already committed you may well find yourself eye to eye with someone very attractive, in which case you may have to show considerable restraint in order to avoid a situation you may later regret.

Your Personal Month for May 2010's compatibility is 7 and 1

The challenge in the relationship between these two cycles is to maintain the feeling of belonging. There are big differences between the way the one cycle and the seven cycles affect you, Maria and Johnny, but one thing they have in common is that both cycles increase the awareness of independence and individuality. In other words, Maria and Johnny, both of you will kind of feel your selves distancing from the relationship, which is not per se bad. In fact, it may add to the longevity of your relationship. However, if your expectations are that you will spend a lot of time together, share everything, and that nothing will change, your expectations will not be met.

The wise thing to do is to accept the fact that you will move apart somewhat during this period. It is temporary and necessary for your personal growth.

Maria, you should focus on your career and goals. For Johnny, the focus is more inward, towards spiritual and mental growth. Johnny is going through a period of self-discovery and needs time alone. Maria has opportunities for progress and needs to take advantage of that. As you can see, your individual needs demand that you pay less attention to your partner and more to your selves. This may make you feel as if the relationship were weakening. That is not the case, unless you turn it into an issue. If you simply accept the fact that your partner's attention is focused elsewhere, you will find that this period offers growth to both of you as individuals, and does not do that at the cost of the relationship.

Johnny, your Personal Month for June 2010 is 8

June is an 8 Personal Month in a 2 Personal Year. Now the time is ripe to reach out and receive some of the fruits of your labors. It is a harvesting time, but the rewards are still dependent upon good relations with co-workers. Ask for a promotion, or a raise. Let those in the right positions know that you value the recognition and respect they bestow upon you.

You are in the right state of mind to deal with some tricky personality-clashes; solve communication problems; turn enemies into friends; and in many ways manipulate events

through gentle persuasion. The numbers 2 and 8 allow you to handle sensitive issues with tact and diplomacy, as well as with authority and decisiveness. It is a good time for negotiations in every area of your life, personal as well as professional.

Romance is very favorable, but can be spoiled by money issues. On the other hand, domestic affairs can be troublesome and can leave you feeling powerless unless you are willing to cooperate.

Leave such issues alone for now. The domestic scene is better handled next month, when all dealings with relatives are easier and smoother.

Maria, your Personal Month for June 2010 is 2

June is a 2 Personal Month in a 5 Personal Year and it enhances your insight into the motivations and emotions of others. You play the role of counselor several times this month. Your intuitive powers are also enhanced, but this does not extend to money matters. It's not a good time to take financial risks.

There are changes taking place in many areas of your life this year, and the general instability is felt strongly this month.

Study and reading are more favorable, especially when related to your career. The focus is on relationships at work and at home. You need to trust others enough to open up your heart and reveal your deeper feelings. This is a good time to release some bottled-up feelings.

Romance also plays an important role this month, particularly if you are involved in a relationship that originated fairly recent. Your enhanced sensitivity and intuition helps you to see the deeper meanings and values, which make the relationship stronger or...cause a permanent break. A critical issue here, is your ability to express your true feelings. Communicate!

An unexpected invitation to visit a friend or relative in some distant town may inspire you to pack your bags and go. This will turn out to be beneficial.

Your Personal Month for June 2010's compatibility is 8 and 2

Maria and Johnny, this is a difficult combination of cycles. Your priorities are not aligned. For Maria, the relationship and all matters of the heart are important at this time. Emotional turmoil is right around the corner. And it won't take much to turn that corner. More sensitive than usual and vulnerable to criticism, perceived neglect, and lack of attention, Maria may be quite demanding in that regard.

For Johnny, the relationship takes second, or perhaps third place at this time. Johnny's focal point is everything around the relationship. From friends to career, and from family to finances, Johnny wants to heal and improve everything that surrounds and sustains the relationship, but in the process may not pay much attention to you, Maria.

In addition, Johnny may feel that Maria does not carry enough weight, when in fact Maria's energies are simply directed elsewhere. As you can see, this combination of cycles offers opportunities galore for misunderstandings and disagreements. It is likely that you will experience some rough spots, but it is also likely that at the end of this period you have both brought something to the relationship; Johnny will manage to make improvements in areas outside the relationship while Maria will strengthen the

relationship on a deeper level.

Johnny, your Personal Month for July 2010 is 9

July is a 9 Personal Month in a 2 Personal Year and is both emotional and demanding. This is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. Actually, this is a testing period for relationships in all areas of your life. The 9 and the 2 combination -- both diplomatic, sensitive, and service oriented -- advises that you avoid confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your own needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have out-grown. This month is your opportunity to avoid becoming an emotional and/or material packrat. This is the time to empty your cup in order to make room for new gifts coming your way.

This is a transition period. You will likely experience deep emotions, even nostalgia and melancholy. At times, you may feel exhausted. Yet, such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level.

You are not entirely conscious of all that is happening, and consequently you may not be able to express your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself and your sacrifice will actually help you achieve stability and inner strength.

This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

This is a month that requires balance: you are feeling emotional yourself, but at the same time you must also focus on the needs of others. If you indulge too much in your own feelings, especially self-pity, you will suffer more self-doubt than if you remain balanced between your own needs and service to others.

Maria, your Personal Month for July 2010 is 3

July is a 3 Personal Month in a 5 Personal Year. Money matters come to the foreground; debts are called in and close attention should be paid to your bank account.

Your ability to influence the ideas and opinions of others works in your favor and may create a new source of income.

This is also a good time to promote yourself. If you have considered upgrading your resume or trying out for that new position you have been considering, now is the time to do it.

A career change is also possible as a result of outside forces. You are more creative.

You feel somewhat restless and impulsive and are willing to take risks for the sole reason that you need a change. There is a tendency to be somewhat scattered and even a little irresponsible during this cycle.

Your domestic environment also becomes a source of restlessness and you may have to guard against irrational behavior from your side. At the same time, you reach out to old

friends and relatives you have not been in touch with for some time.

Your emotional state is a little turbulent causing you to be moody. Try to maintain equilibrium. This is a month to be somewhat detached from the events and circumstances surrounding your life. Don't take yourself too serious, and, if possible, take some time off for a vacation. It's a good time to recharge your batteries.

Your Personal Month for July 2010's compatibility is 9 and 3

Maria and Johnny, this combination of cycles is quite compatible and it often gives birth to new ideas and plans for the future. You are both experiencing a time of enhanced creativity. You may plan to remodel the house, buy new furniture, or otherwise change and improve the environment you share.

Johnny, however, is also experiencing a challenging time of powerful emotions. Johnny is on shaky ground and needs a stable environment as well as Maria's support and confidence. Maria is more upbeat and optimistic than usual and can be a much-needed source of comfort for Johnny. Although this does not look like an ideal situation to make changes such as planning a remodel or buying new furniture, it is in the making of such plans and the creative process that Johnny's need to feel secure is enforced.

Maria should be aware that Johnny is not as grounded as usual right now and some patience may be prudent. For Johnny, this is a time of choice and decisions - but on a deep, even subconscious level. Nothing is clear. Nothing is simple.

During this combination of cycles much depends on Maria's ability to be a source of strength and comfort for Johnny. Maria and Johnny, the nine-cycle is always the most challenging time for anyone, while the three-cycle is considered one of the easiest and most pleasurable. For that reason, you are lucky to have this combination whereby Maria, with the three-cycle, can support Johnny during the time the nine dominates.

Johnny, your Personal Month for August 2010 is 1

August is a 1 Personal Month in a 2 Personal Year. It brings new energy and a kind of restoration of life. There is a feeling of rebirth, excitement, a brightness in the air that wipes away the last residues of last months bouts of gloominess and self-doubt. You want a change, a challenge, some goal toward which you can direct your enthusiasm.

Well, that's what this month will bring. A new project, career change, something new. Keep in mind, however, that you are planting seeds now that must be nurtured and cultivated over the next year or so. In other words, you must remain focused on this dream to nurture it properly over time.

Don't take chances financially. Your optimism may make you impulsive and vulnerable. Remain cautious and research all propositions brought to you.

You likely will be introduced to new people and, if you are not already involved, one of them may evolve into a passionate romance. Here, also, the careful approach can save some future heartache. The child in you is very much alive, trusting and believing that everything is what it seems.

While this is a very promising time for romance, keep in mind that a certain amount of rational examination is necessary to protect yourself. Wait until the end of next month before you surrender your heart to the person you are attracted to.

Maria, your Personal Month for August 2010 is 4

August is a 4 Personal Month in a 5 Personal Year. Your career may be demanding and a bit frustrating. You need to attend to routine matters, some of which may be boring. This is not a time to slack. Don't procrastinate. Commit to your responsibilities and see projects through to completion.

This month could bring a welcome opportunity on the job front, but your success will depend upon your willingness to stand up for yourself, to take charge of circumstances, and refuse to be victimized by outside events. You need the courage to stand up for your beliefs, to "do the right thing."

Make important changes in your life. Such as start a diet and/or exercise regimen, quit smoking, dedicate yourself to a good cause, and reconnect to your higher spiritual values. This is the month to make fundamental and positive long-term changes in your life.

It's important to demonstrate to those around you that you are dependable and can be relied upon. This affects both your work and love life. You will impress all of those around you with your sense of duty and trustworthiness.

Your Personal Month for August 2010's compatibility is 1 and 4

Johnny and Maria, as a rule of thumb, the one-and-four combination, when found in this part of the progressive chart, is not compatible. Although both cycles represent strong drive and motivation, as well as a need to apply and put forth effort, they express it very differently. Johnny, you are motivated in large part by enthusiasm, dreams, hope and a can-do attitude. Maria, your drive is born from frustration and the feeling that you need to break out of a shell that has for too long limited and restricted you. Your frustration may become worse before it gets better, Maria, and your challenge is not to let it vent itself towards the people you love and care for. The four cycle is never an easy one, but, in the end, it invariably brings progress and a breakthrough of some kind. So, Maria, have faith in that and just keep going.

Johnny, don't get impatient with Maria's doubts and frustration. Remember that this is a time of opportunity for you, and that is what you should go for. Just focus on your goals.

Johnny, your Personal Month for September 2010 is 2

September is a 2 Personal Month in a 2 Personal Year. The number 11 -- referred to in numerology as a Master number, and therefore highly charged, sensitive and intuitive -- is also prominent in your life now. You are extremely perceptive.

Dreams are full of insight, and seemingly irrational and creative ideas should be examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity. Don't take your emotions too serious. Increased sensitivity magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People will come around.

Romance is still strong, but you must remain realistic. Last months' excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again, be skeptical of your emotions; it's quite possible that you are making mountains out of mole hills.

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

Maria, your Personal Month for September 2010 is 5

September is a 5 Personal Month in a 5 Personal Year. The hectic pace of last month continues. However, the nature of activities is quite different. You are challenged to keep up with events and influences that, at times, appear out of your control. If you can be flexible and adaptable, you will cruise through this month comfortably and successfully. Let old plans, expectations, and concepts go. Otherwise, stress may take a physical toll.

If you are willing to take the changes in stride and "go with the flow", you will find yourself in a better position in career as well as personal life by the end of this month.

This is an adventurous, dynamic, and progressive time, with less focus on details and routine stuff. Social events and romantic adventures highlight the month. The word "adventure" is the operative word: few romances that begin during this time have the emotional depth and substance needed to survive the test of time. However, relationship begun now still have much to teach you about life and love, so be open to all the possibilities.

Be warned, however. You may have a tendency for over-indulging your senses this month. Moderation is wisdom.

Your health may cause you some concern. In most cases, this is the body reacting to changes that have taken place during the course of this year and are only temporary. If problems persist, seek the advice of health counselor or physician.

Your Personal Month for September 2010's compatibility is 2 and 5

Johnny and Maria, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

Johnny, your Personal Month for October 2010 is 3

January is a 3 Personal Month in a 2 Personal Year. Hence, the month brings you optimism and energy. The drive and enthusiasm that emerged during the second half of last year is still with you, along with a certain caution born of inner change and the emotional ups and downs that arose during the previous 18 months.

You're aware of your need for support, cooperation, and advice. And this month, you find yourself establishing closer ties and better communication among those with whom

you live and work.

You are also reflective and relaxed. Take time to play and laugh. Reach out to friends and loved ones. Communicate your ideas freely. You and your plans will be supported, which will heighten your optimism about the future.

Romance is an important part of this month's experiences, and the chances are good that you may meet someone special.

Maria, your Personal Month for October 2010 is 6

January is a 6 Personal Month in a 5 Personal Year. All during this month the focus is on your attitude towards friends, co-workers, and family members. You are in a position to improve relationships in all areas. You are warm-hearted and more outgoing than usual. Others are attracted to your optimistic disposition and several people close to you will come to you for advice and comfort.

The month may bring a turbulent new relationship into your life. The initial introduction may start off a little awkward, even cause some friction. You will need to be tolerant and understanding. Even if you feel sure that your point of view is correct, a hardheaded, stubborn approach is not beneficial.

On the contrary, the true purpose of this conflict is an opportunity for you to reach out and earn the appreciation and respect of this person by freely demonstrating your own.

Other, more practical changes are also in the picture. Many will make changes in their office, residence, or work routine.

You may get some strong signals that your career may receive a boost in the very near future, which only buoys your optimism.

If you are single, this is an excellent month to be social and meet new people.

Your Personal Month for October 2010's compatibility is 3 and 6

Johnny and Maria, this is a time of strong feelings for both of you. Although inspired by different motives, you are drawn to each other and feel closer than usual. For Johnny, this is in part the result of seeing more clearly the importance of everything not related to career or finances: family, friends, social activities, and so forth. For Maria, the driving force right now is simply the heart. For both of you, the priorities shift somewhat towards the joy of living, towards things away from the daily grind.

A possible danger lies in the fact that Maria needs more attention than usual during this time, while Johnny requires less attention and would rather devote more time to people and activities outside the relationship.

Johnny, your Personal Month for November 2010 is 4

November is a 4 Personal Month in a 2 Personal Year. It's definitely time to get down to business, to focus on work, and finish anything that's been left undone. Pay attention to the details; don't procrastinate; don't cut corners. Get the picture?

You are laying a foundation for the future, proving to yourself and others that you are

worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focussed. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success.

The best way to balance such determination is to get in touch with nature: take a walk in the woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

Maria, your Personal Month for November 2010 is 7

November is a 7 Personal Month in a 5 Personal Year and directs the focus to your inner self. Some people experience this month as lonely but it doesn't have to be.

You will be inspired to refine your understanding of your place in the universe. Spiritual growth will be of primary interest to you now.

Spend time considering what you are going to do with the rest of your life. Search your soul, define your priorities, and plan your future. Study and read and think.

You are observant and insightful.

Put romance, career, and financial matters on the back burner this month. There will be plenty of time for that later. If you direct all your effort toward honest self-confrontation, your future progress will be insured.

Your Personal Month for November 2010's compatibility is 4 and 7

Johnny and Maria, partners often find themselves distancing from each other during the combination of cycles you are presently going through. You may find that this also applies to you. However, this is not a result of lessened interest in each other, but of the fact that your cycles are focused in different directions. For Johnny, this is a time of grounding and dealing with mundane and practical matters, often experienced as frustrating and boring. For Maria, this is a time of inner search, daydreaming, and quiet contemplation, a time of doubts and questions, and a time of learning about the self. So, it is not difficult to see how the influence of your cycles can create some distance and a lack of communication.

Keep in mind that this is not per se a negative development, as long as you don't try too hard to force yourself into your partner's world.

Johnny, your Personal Month for December 2010 is 5

December is a 5 Personal Month in a 2 Personal Year and brings changes and restlessness. You feel a need to be with others, to be social, to laugh and talk and enjoy yourself.

You receive opportunities to travel and will meet a new and exciting person on a trip away from home. This person inspires and motivates you to try something new, to get off the beaten path and take a chance.

This is a month that could bring quite a few surprises, most of which invigorate you. It

is a dynamic time that brings information and knowledge from unexpected sources. You want change. You are ready to try a new direction, which causes you to see your career with new eyes. You are in an adventurous mode and willing to take a risk.

This month requires courage and flexibility. There are new opportunities awaiting you and it is up to you to prevent them from slipping by.

Your love relationship is in a vulnerable state and some suppressed anxieties need to be released. You are somewhat impulsive and may need to force yourself to slow down. You experience a bit of self-indulgence. There is a need for self-discipline.

Maria, your Personal Month for December 2010 is 8

December is an 8 Personal Month in a 5 Personal Year and will be rewarding in many areas of life. This is a good time for business and money matters. But don't indulge in spending money to impress others or flaunt your success.

The 8 Personal Month brings balance in all material matters. Expect some recognition in your working environment, perhaps a bonus or promotion.

This is an excellent time to promote some of your ideas or any other input you have in relation to your career.

Romance is favorable too. Express your love. You will be more attractive than usual to members of the opposite sex.

Your Personal Month for December 2010's compatibility is 5 and 8

When it rains, it pours, Johnny and Maria. This is a time when neither one of you will find it easy to keep up with your partner. Johnny has a lot going on, juggling more balls than usual. Maria is experiencing strong ambitions and visions of what can be accomplished and how many opportunities there really are. With very different energies currently influencing you, Johnny and Maria, there is not much room to sit down and simply enjoy each other's company. That's okay, though, because you will get plenty of that in the next cycle, when you both shift your focus towards family, friends, and each other.

Johnny, your cycle brings a lot of change, but it will take time to sort it all out, and several other cycles will go by before you will be able to see clearly the lasting effect of these changes. Maria, your cycle may, in the end, put your next goal or goals sharply in focus. It could be said that Johnny's energy is like molecules bouncing all over the place, establishing boundaries and discovering space, while Maria's is more sharply focused on a particular point.

The most common mistake couples in this combination of cycles make is to try to make each other see the world through each other's eyes. The only result will be frustration and mutual limiting of potential if you go that route. This is a time when you have to allow each other to do exactly what each of you wants to do, without having to explain too much or to account for your actions.

Johnny, your Personal Month for January 2011 is 4

January is a 4 Personal Month in a 3 Personal Year and offers opportunities for progress in your career. You are inspiring and motivating to yourself and others and know how to express your ideas. Your creativity is enhanced. You find original solutions and manage to implement them. Your co-workers and superiors are impressed. You are optimistic and light-hearted this month which further enhances your work situation.

However, you will have a tendency to be impulsive and may find yourself with your foot in your mouth. Make sure you have the information to back up any claims. You also may have a tendency to procrastinate, which can spoil opportunities and damage your career.

This is a month to be on your toes and take full advantage of a favorable combination of cycles. If you have considered remodeling or redecorating your house, or starting a gardening project, now is the time to get started.

Marriage or a romantic relationship takes on more depth.

Maria, your Personal Month for January 2011 is 7

January is a 7 Personal Month in a 6 Personal Year and brings stability and clarity. Your career shows promise, but there is not any promotion or practical gain just yet.

If you are involved in legal affairs or have wanted to take care of something that involves the law, this month is a good time to start the necessary procedures. You may be notified of an impending legal procedure that affects you or a loved one.

Study or read and enjoy the much needed quiet after last year's hectic pace. Domestic affairs play a major role during this year and begin now. However, you will be feeling more intellectual than emotional during this month. Tolerance and forgiveness will not come naturally and you could be a little self-righteous. Try to be more flexible.

Your Personal Month for January 2011's compatibility is 4 and 7
